CALLING ALL WOMEN OF MT. OLIVE!

The She Shed Women's Ministry is officially kicking off and sis, you're invited! Join us Saturday, February 28th for our very first event, "Sisters in Love" – a Galentine's celebration. This is the launch of our monthly women's gatherings, happening every last Saturday of the month, each with a new theme, new conversations, and new connections.

Our focus? Loving God, loving ourselves, and loving others — anchored in 1 Corinthians 13. We'll have a panel of women from different ages and stages of life, real talk about relationships and friendships, light eats, laughs, and lots of love.

Please make sure you register , so that we can have a headcount for food. Scan the QR code, visit the website, or sign up in the lobby. Bring a friend, bring your sister, bring your bestie! We'll see you at the She Shed!

ALBUM OF THE WEEK

STUDY OF THE WEEK

**RightNow Media Study of the
Week: AI & Identity:
Called. Known. Created.
Teacher: Rev. Dr. Justin Lester**

In a world where almost anything can be imitated, one thing cannot be replicated—God's breath. While artificial intelligence is generated, humanity is uniquely created in the image of God. In this six-part series, Rev. Dr. Justin Lester explores what it truly means to be made in God's image and how to reclaim an imago Dei mindset in a culture increasingly shaped by technology. This study helps believers anchor their identity in Christ rather than in cultural trends, digital personas, or artificial influence. Dr. Lester also offers practical wisdom on how to use AI as a tool without allowing it to redefine who we are. AI & Identity is a timely reminder that we are not products of algorithms—we are called, known, and created by God.
