THE CHRISTIAN LIVING CORNER

Album of the Week:
The Praise & Worship Songs of
Richard Smallwood (with Vision)

This timeless collection showcases the worship-centered side of gospel legend Richard Smallwood, performed with his renowned ensemble, Vision. The Praise & Worship Songs of Richard Smallwood brings together reverent, Scripture-rich songs that have shaped worship in churches for generations. With masterful compositions, rich harmonies, and deeply theological lyrics, this album invites listeners into a sacred space of adoration, reflection, and wholehearted praise. Each song reflects Smallwood’s commitment to excellence in worship—pointing hearts toward the holiness, faithfulness, and majesty of God. This album is ideal for personal devotion, corporate worship, or anyone seeking music that nourishes both the spirit and the soul through timeless praise.

RightNow Media Study of the
Week: The Book of Jude
Teacher: Eric Geiger

The book of Jude is short in length but powerful in message. Written to believers facing false teaching and spiritual compromise, Jude calls Christians to remain grounded in the truth and to contend earnestly for the faith. In this study, Eric Geiger walks through Jude’s urgent warning and encouragement, reminding believers to stay anchored in God’s Word while living with discernment, humility, and hope. This study challenges us to recognize truth from error, stand firm in our faith, and extend mercy to others without compromising biblical convictions. The Book of Jude is a timely reminder that faithfulness matters—especially in seasons of confusion and cultural pressure—and that God is able to keep His people secure as they trust Him fully.
