## THE CHRISTIAN LIVING CORNER

### Album of the Week: Sanctuary – All Nations

Sanctuary by All Nations is a powerful worship project that creates space for believers to encounter God's presence in a meaningful and personal way. Filled with passionate praise, heartfelt worship, and a spirit of expectancy, this album reminds listeners that God desires to dwell among His people and make His presence known.

Blending contemporary worship with rich gospel influences, Sanctuary leads worshippers into moments of surrender, reverence, and celebration. Each song points to God as our refuge, our peace, and our source of strength, encouraging believers to draw near and experience the transforming power of His presence.

### RightNow Media Study of the Week: Managing Our Finances God's Way Teacher: Crown Financial Ministries

The Bible has a lot to say about money, stewardship, and honoring God with our resources. Managing Our Finances God's Way is a practical seven-week study that explores biblical principles for spending, saving, giving, investing, and overcoming debt.

Through Scripture-based teaching and real-life application, this study helps believers develop healthy financial habits and learn how to manage money in a way that reflects God's wisdom and purpose. Whether you're seeking greater financial stability or a deeper understanding of stewardship, this series provides valuable tools for honoring God with what He has entrusted to you.
