Growing together and serving others

FUMC Youth approach mission projects with purpose and heart

This past week, our high school youth group, took part in a mission trip to Copperhill, Tennessee, which is located where the states of Georgia, Tennessee, and North Carolina, all meet. Our team of 22 worked on two decks, a large outdoor storage building, and small renovation projects within an old church.

The two decks at the home of a local 72-year-old, were in various stages of completion when we arrived. Our youth cemented posts, leveled joists, built stairs, added handrails, and laid decking to move the decks closer to completion.

Kaylee Vaughn joined our church July 20. She is pictured with her children, Blaire and Grayson.

- YOUTH continued from page 1

At the church, we worked on a new outdoor building. Our youth worked on the roof finishing the upper sides, building floating rafters, laying down all the roof decking and even attaching the siding.

We were able to accomplish so much with an awesome team of youth who genuinely worked hard to finish as much as possible before we had to leave.

While our base camp was a bit more "rustic" than we are accustomed, it served to bring our team closer during our trip. Some of the most meaningful moments came during our nightly church time. We talked about how we can better love God, and it gave students the chance to share their highs and lows from the day.

Thank you to the adults who took time to be a part of this amazing trip, and you, the church, who have supported us through your gifts and prayers!

**God Bless,
The Youth Team**
