

Stop Losing Wars You Were Meant to Win - Pastor Bob Gray

A Personal Declaration:

THIS IS WHERE I STAND!

There are moments in history when you realize the battle isn't over. This is one of those moments. We're fighting battles we thought had already been won. Hard-fought victories are being challenged. History is being erased. The poor are pushed aside. The vulnerable are ignored. People are divided by race, nationality, politics, and fear, while those in power keep the performance going and hope we stay distracted, confused, and clinging to hate.

The question is not whether there's a battle. The question is, where will you stand?

As followers of Jesus Christ, we are never called to sit quietly while injustice grows. We are called to be salt and light. We are called to speak truth, defend those without a voice, and stand for what is right even when the cost is high. If there was ever a generation that needed courageous believers, this is it. If there was ever a time to stand up, be counted, and refuse to compromise, this is the time.

Five Areas to Build Up in Order To Become More Powerful in Your Spiritual Walk. (There are certainly others also)

1. Protect Your Mind — Gateway to Your Actions

Whatever you let in takes over.

- 2 Cor. 10:3-5 — Take every thought captive.
- Romans 12:2 — Be transformed by renewing your mind.
- Phil. 4:8 — Focus on pleasing God.

2. Watch Your Mouth — Words Carry Weight, Direct Your Life.

Prov. 18:21 — The tongue can tear down or build up.

3. Stand in the Storm

John 16:33 - In this world, you will have trouble. Not you might.

4. Decide What You Hold onto — and What You Let Go of.

Hold onto: God's promises, faith, prayer, godly people.

Let go of: bitterness, fear, comparison, past hurts.

5. Learn to Abide in Christ

Not a visit now and then — a dwelling place. Stay put.

Jesus' presence is your permanent home. ACT LIKE IT!
