## OUR TEAM VALUES...

### **We Choose Joy**

-We take fun seriously. We impact every environment by bringing energy and joy.

-We have fun and choose joy. We do this not because we get paid to; we do it because God has chosen us, we love our church, and we're honored that we get to do what we would already be doing for free.

-We bring a life-giving attitude to every situation, no matter how challenging, knowing that the test of our attitude is in the challenging times, not the fun times.
