We will reserve your child's spot in our program – even when he/she does not attend. Therefore, payment is expected each month your child is enrolled, regardless of attendance. We have calculated the annual fees needed to operate our program and determined a monthly rate based on the number of school calendar days. Monthly tuition will be the same regardless of the number of holidays, teacher planning days, inclement weather days, etc.

Tuition fees are based on an annual rate divided into equal monthly payments August – May.
