# WEEKLY MEMORY VERSES

## MARCH 2 - MARCH 6 | MATTHEW 22:37-39

<sup>37</sup>He said to him, 'Love the Lord your God with all your heart, with all your soul, and with all your mind. <sup>38</sup>This is the greatest and most important command. <sup>39</sup>The second is like it: Love your neighbor as yourself.'

## MARCH 9-13 | DEUTERONOMY 31:7-8

<sup>7</sup>Moses then summoned Joshua and said to him in the sight of all Israel, "Be strong and courageous, for you will go with this people into the land the Lord swore to give to their ancestors. You will enable them to take possession of it. <sup>8</sup>The Lord is the one who will go before you. He will be with you; he will not leave you or abandon you. Do not be afraid or discouraged."

## MARCH 16-20 | DEUTERONOMY 6:4-9

<sup>4</sup>Listen, Israel: The Lord our God, the Lord is one. <sup>5</sup>Love the Lord your God with all your heart, with all your soul, and with all your strength. <sup>6</sup>These words that I am giving you today are to be in your heart. <sup>7</sup>Repeat them to your children. Talk about them when you sit in your house and when you walk along the road, when you lie down and when you get up. <sup>8</sup>Bind them as a sign on your hand and let them be a symbol on your forehead. <sup>9</sup>Write them on the doorposts of your house and on your city gates."

## MARCH 23-27 | PSALM 1:1-2

<sup>1</sup>How happy is the one who does not walk in the advice of the wicked or stand in the pathway with sinners or sit in the company of mockers! <sup>2</sup>Instead, his delight is in the Lord's instruction, and he meditates on it day and night."

## MARCH 30 - APRIL 3 | JUDGES 2:12

"and abandoned the Lord, the God of their ancestors, who had brought them out of Egypt. They followed other gods from the surrounding peoples and bowed down to them. They angered the Lord"

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in the organization's operations.

Furthermore, it highlights the need for regular audits and reviews to identify any discrepancies or areas for improvement. This process helps in maintaining the integrity of the financial data and ensures that the organization is operating within the bounds of the law.

In addition, the document outlines the responsibilities of various stakeholders, including management and employees, in ensuring that all financial information is reported accurately and on time. It stresses the importance of collaboration and communication in achieving these goals.

Overall, the document serves as a comprehensive guide for anyone involved in the financial management of an organization. It provides clear instructions and best practices to help ensure that all financial activities are properly documented and reported.

The second part of the document focuses on the specific procedures for recording and reporting financial transactions. It details the steps involved in the accounting cycle, from identifying transactions to preparing financial statements.

It also discusses the various methods used to record transactions, such as double-entry bookkeeping, and explains how these methods ensure the accuracy and balance of the financial records. The document provides examples and illustrations to help clarify these concepts.

Moreover, it covers the requirements for reporting financial information to various stakeholders, including investors, creditors, and regulatory authorities. It outlines the format and content of these reports to ensure they are clear, concise, and compliant with applicable laws and regulations.

In conclusion, the document provides a thorough overview of the financial reporting process, from the initial recording of transactions to the final preparation and distribution of financial statements. It is a valuable resource for anyone seeking to improve their financial management practices and ensure the highest level of transparency and accountability.
