Message from Senior Pastors

Dear Church Family,

As we take time to reflect on 2025, we want to share a picture of what God has done over the past year. When we pause and look back, we are reminded again of the Lord's faithfulness and His steady work in the life of our church. He continues to draw people to Himself, to shape hearts, and to lead His Church forward according to His purposes.

This past year has continued to shape us as a church family committed to following Jesus together. We have watched people take steps of faith as they respond to His leading, often in simple and sincere ways. Families are growing in their faith, and individuals are coming to a clearer understanding of God's purpose for their lives. Through it all, the Gospel remains at the center of who we are and how we seek to live and serve.

The pages that follow provide a snapshot of the year through numbers that reflect key spiritual markers, including salvations and water baptisms. While numbers never tell the whole story, they do help us see how God has been moving and how people have been engaging in the life of the church. Each number points to a person, a decision, and a moment where God has been at work.

As we look ahead, we do so with trust in the Lord. We are thankful for where He has brought us, mindful of the responsibility He has given us, and attentive to where He is leading next. Our desire is to remain faithful, to continue pointing people to Jesus, and to walk forward together as His Church.

Thank you for being part of this church family. Thank you for the ways you serve, give, and pray. We are grateful for your faithfulness and for the opportunity to walk this journey with you.

With gratitude,

Pastors Shawn & Jennifer McGill

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here.

2 CORINTHIANS 5:17

Every number represents a person encountering Jesus and taking a step of faith. From hands raised to lives marked through baptism, we celebrate the work God continues to do in hearts across our church.

Average Attendance.

Across every location, people continue to show up and engage week after week. These rhythms of gathering reflect a church that is present and growing together.

FREDERICKSBURG EXPANSION

We purchased and renovated the building at 1380 Central Park Blvd. The facility now includes Kidspoint “bigs” environments plus expanded Lifepoint College classrooms with increased capacity from 24 to 70 students, and a dedicated Student Life Center. Leasehold income from the building helps offset project costs and supports scholarships for students.

Projects Highlights & Status:

- Permits were secured in the spring, and construction began shortly thereafter.
- The building has been erected, with multiple phases of the project now complete.
- AVL integration and FF&E procurement are planned for early 2026, with construction completion anticipated by summer.

LIFEPOINT RICHMOND

Our goal is to get the Richmond Campus out of the high schools and moved into a semi-permanent location in 2026 either through a long-term lease or acquisition of real estate.
