## *Local Outreach Lane Report – January 2026*

Lane Leader: Ben Klock

### **New Vision**

---

#### *Paint the Town Red 2026*

- Our annual Paint the Town Red event provides an opportunity to mobilize our entire church over 4 days in July to meet various needs in our communities. Our vision is to provide over 200+ projects across all 5 of our locations. These projects will meet needs like packing 1,000s of hygiene kits for Convoy of Hope, home repairs, beautification of local schools and many more.

#### Average Cost for a Project Size:

1<sup>st</sup> level (Serve 25 people): \$250

2<sup>nd</sup> level (Serve 50 people): \$500

3<sup>rd</sup> level (Serve 100+ people): \$1000

**Project Cost:** \$300,000

**Amount Funded:** \$0

**Amount Remaining:** \$300,000

### **Progress Updates**

---

#### *Local Outreach*

- The Outreach Department exists to help those inside our church take a next step of making a difference in their community. **Every second Saturday of the month**, we create practical projects that anyone can participate in through our One Serve opportunities including Adopt a Block where we invest into a community!

**Project Cost:** \$145,000

**Average Project Cost:** \$250-\$500

**Amount Funded:** \$145,000

**Amount Remaining:** \$0

#### *Winter Wonderland*

- We provide a shopping experience for families who are not able to secure Christmas through tangible items such as clothes, hats, books, and even toys to bring joy. This gives the parent a sense of pride, while providing their children with a great Christmas experience. This is a huge step in pointing people to Jesus.

#### Cost Breakdowns:

Cost per family with two kids: \$200

Dream Team food during event: \$800

Wrapping paper: \$400 (100 rolls) \$4 each

Decorations: \$200

**Project Cost:** \$65,000

**Amount Funded:** \$65,000

**Amount Remaining:** \$0

## Connection Opportunities

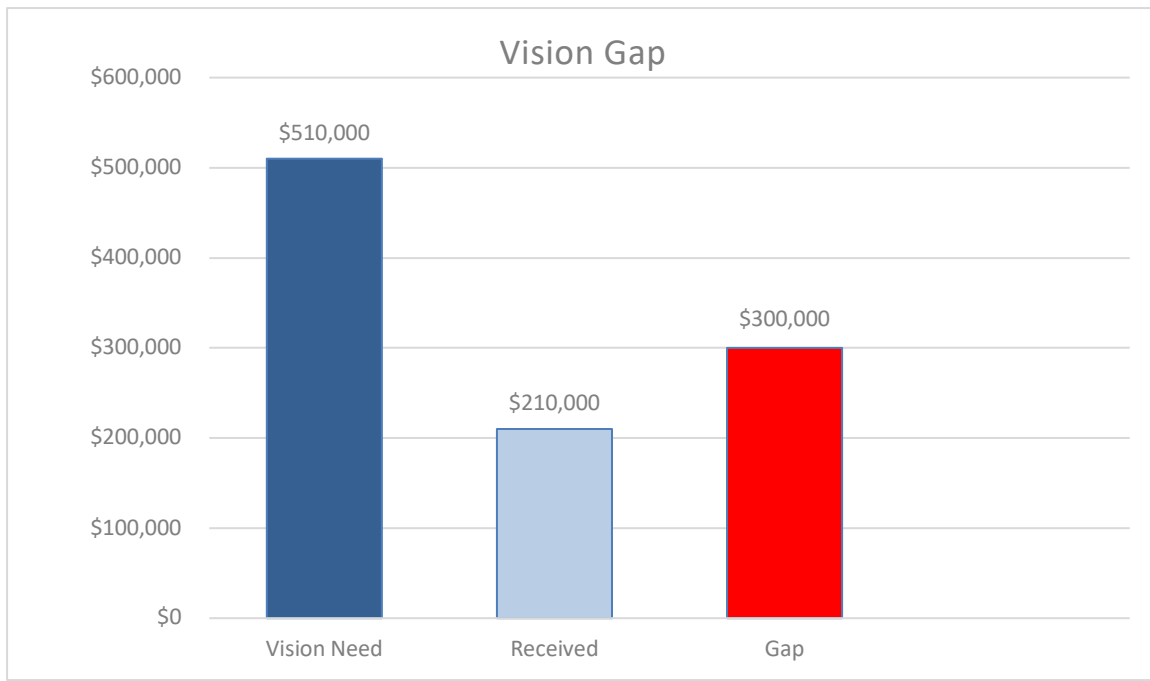

### *One Serves (monthly)*

- We have regular service opportunities to meet a need and make a difference. You can sign up to be part of a project at your campus by downloading the Serve App. At your campus Outreach Environment or on the Serve App, you can also sign up for our monthly, all-campus, themed service projects called One Serve.

## Vision Gap

The vision gap is designed to provide a snapshot of the financial need to fund the vision of the Local Missions Lane as a whole.

These projects represent an investment of \$510,000. Of this, \$210,000 has been allocated. This leaves \$300,000 needed to fully fund these projects.
