

KINGDOMBUILDERS

Next Generation Lane Report – April 2026

Lane Leader: Leta Palmer

The Next Gen teams work together to develop the next generation at Lifepoint Church in character, theology, and ministry to the church and the world. As we develop this next generation, we know we are building the leaders for future generations of the church. The future of the church in its commitment to the true Gospel and evangelism to a lost world depends on this generation's commitment to Christ. Your generosity empowers these teams to work together to build a unified vision of spiritual development for Lifepoint Church members from birth through High School.

New Vision Projects

Below are new vision projects and initiatives.

Kidspoint Plus

- We are now offering Kidspoint Plus at our Fredericksburg and Spotsylvania locations! This is an environment and service that accommodates kids with special needs or who need some additional love and support. Our next goal is to have it available at Culpeper with the new building opening! Our gap reflects some supplies needed to get the space started.

Project Cost:	\$2,000
Amount Funded:	\$0
Amount Remaining:	\$2,000

Kids Conference 2026

- We are already elbow deep in Kids Conference planning and have made some adjustments to our original plan to accommodate our current budget. Our gap this year reflects the lowered cost for kids (from \$35 to \$25 – one day we'd love this to be free for kids!) and the addition of a Culpeper location – meaning we have 3 locations! We would love some assistance to not diminish the quality of experience and still be able to offer a minimum of 35 scholarships for kids in need.

Project Cost:	\$8,000
Cost per child:	\$25
Amount Funded:	\$0
Amount Remaining:	\$8,000

Spotsy Kidspoint Refresh

- The recent new construction projects in Culpeper and the 1380 have created such bright, beautiful, and life-giving spaces for our Kidspoint environments and we'd love to bring the same to the Spotsy Campus, starting with our "Big Four" lightboxes. These are custom lightboxes that feature Kidspoint Core Values, known as our Big Four: Love God, Love Others, Do Your Best, and Have Fun.

KINGDOMBUILDERS

Project Cost:	\$15,000
Amount Funded:	\$0
Amount Remaining:	\$15,000

Youth Conference 2026

- Last year, we saw record-breaking attendance and life-changing moments as students encountered Jesus. We have a big goal of 1,250 students this year! We believe finances should never be a barrier for a student to attend Youth Conference. This year, we are offering a Youth Conference Scholarship Fund to help students in need to experience this life-changing event. With the generosity of donors, we can remove financial obstacles and provide scholarships to students who may not otherwise be able to attend.

Project Cost:	\$25,000
Amount Funded:	\$0
Amount Remaining:	\$25,000

Next Gen Roundtable

- In Fall of 2026, we are hosting the **Next Gen Roundtable**—a one-day gathering for Kids and Youth Pastors and leaders from across the DMV region. The heart behind this event is to invest in and unite church leaders who are shaping the next generation. Through keynote sessions, practical breakouts, and intentional networking, our goal is to inspire, equip, and strengthen leaders to build healthy ministries that reach and disciple the next generation more effectively. This event also provides a strategic opportunity to **build relational bridges with churches in our region**, opening doors for deeper partnership and collaboration. The Roundtable not only strengthens the body of Christ across the DMV but also positions Lifepoint Church as a hub for leadership development and kingdom collaboration. We believe this investment will multiply far beyond a single day—impacting countless kids, students, and families as leaders leave refreshed, resourced, and refueled to reach their cities.

Project Cost:	\$10,000
Amount Funded:	\$0
Amount Remaining:	\$10,000

Connection Opportunity

Youth Night

KINGDOMBUILDERS

- We would love to invite you to attend any of our monthly Youth Nights. These take place on the 2nd Wednesdays of each month at 6:30pm and are held at our Spotsylvania campus. If you would like to attend, please let us know ahead of time by emailing Leta Palmer, lpalmer@lifepoint.org.

Vision Gap

The vision gap is designed to provide a snapshot of the financial need to fund the vision for the college. We run general operations for the college at a zero deficit. All growth and expansion projects listed in this document represent the current vision gap. We will update this section in subsequent reports as we unveil all that God has placed on our hearts for the college.

These projects represent an investment of \$60,000 that have yet to see any funding towards them.

Wins

- We served 1574 kids at Easter across all 6 of our locations! Easter begins a very intentional season of discipleship in Kidspoint, focusing heavily on the Gospel and the life of a believer. We are looking forward to celebrating the salvations, baptisms, and life-changing moments in the lives of our kids!

KINGDOMBUILDERS

- Lifepoint Youth experienced significant breakthrough in 2025, marked by both deep discipleship and expanded gospel impact. In Summer 2025, **95 students completed our 8-week Student Leadership Intensive**, being trained and released to lead boldly in their schools, homes, and communities. We also celebrated our largest Youth Conference attendance to date, creating space for students from across our region to encounter God in a powerful way. Most importantly, we witnessed **312 students decide to follow Jesus**, lives eternally changed as the gospel took root in the next generation.

Prayer Needs

- Our next generation, birth through high school students, are always our primary concern. Please cover them in your prayers as often as you think of them.
- We are praying for the hearts of our kids in our Bigs environments (elementary-aged) as they hear and learn about the Gospel and learn how to live life as a believer!
- Pray for continued open doors in schools, families, and communities as Lifepoint Youth seeks to reach more students with the gospel. Pray for protection, endurance, and vision for our leaders, and for God to multiply the impact of what He began in 2025 in the years ahead.
