LifeGroups

kearneyefree.com/lifegroups

A **LifeGroup** is a group of about 6-16 people who meet weekly to grow spiritually, invest in each other's lives, fellowship, and serve together. An average gathering lasts about 90 minutes and meets in a home, restaurant, coffee shop, workplace, or the church.

At eFree, LifeGroups are the hub of our ministry. They're the place where the real ministry of the church takes place as we study God's Word while supporting and sharing our lives with one another. We believe that meeting together regularly is time well spent.

Ready to join a LifeGroup? Visit kearneyefree.com/lifegroups, stop by the Groups kiosk after a worship service, or call the office at 308-237-5968

CareGroups

kearneyefree.com/care

CareGroup Ministries provide mentorship during a difficult season in life. These groups are designed to point a person to Christ, as we know that Jesus heals hurts, offers hope, & brings the change that satisfies our souls. We want to help connect you to God and a healthy family for growth spiritually, mentally, emotionally, and physically.

Forge is a place for a real breakfast and a real conversation. Men gather together and sit at tables of 5–6, creating space for honest, life-on-life discussion while still being part of a larger community. Each gathering includes a short reflection from Sunday's message, followed by intentional table conversations centered on Scripture and real life.

In our Community

kearneyfree.com/communityengagement

Kids Hope places trained mentors in the schools one hour, once a week, for one year. Each mentor has the unique opportunity to build life-changing relationships through committing to love and support the student they are matched with.

Storehouse is eFree's in-house ministry serving people in our church family and in our community who have hit a rough patch financially. We offer resources such as a fully stocked pantry, small household items, toiletries, a shower, and more. We also provide financial assistance while paired with a Care Team member who will walk with each participant long-term as they work toward being able to support themselves and their families again, and to share with others the fruit of their labor. We offer both group and individualized care for women and men.

Kearney's volunteer-run HelpCare Clinic serves patients in Buffalo and Kearney counties who do not have insurance. We have partnered with HelpCare since its inception and support them by serving during their open hours and addressing other needs they might have. HelpCare's priority needs include doctors, nurses, translators, and receptionists.

eFree Transit seeks to eliminate an obstacle (our community's lack of transportation) for residents of Kearney's homeless shelter by providing rides to and from a church service each Sunday. We are committed to giving people who are homeless an opportunity to worship with their church family on Sunday mornings! We also provide rides to our Monday night services (Men's ministry, Women's ministry, and CareGroups).
