A NOTE FROM
OUR LEAD PASTOR

"For the Lord is the Spirit, and wherever the Spirit of the Lord is, there is freedom"

(2 Corinthians 3:17 NLT).

This verse captures so much of what we have witnessed throughout this past ministry year. We have seen the power, provision, and presence of God at work among us. People have been welcomed, families have been served, seekers have explored faith, believers have grown as disciples, and lives have been transformed by the gospel of Jesus Christ. My heart is filled with deep gratitude for all that the Lord has done at Unionville Alliance and through Unionville Alliance.

One story that beautifully illustrates our vision of touching our world through Jesus, one life at a time, is the story of Catharine.

Catharine had been receiving a Christmas hamper from Unionville Alliance for more than ten years. Through those hampers, she came to know UAC as a church that was loving, caring, generous, and kind. When she began to feel that she needed to attend church, watching one of our online services seemed like a safe and natural first step. She already knew something about the heart of our church because she had experienced the love of Jesus through the practical ministry of Hampers of Hope.

As Catharine watched our services online, she was warmly welcomed by our online hosts and began to connect with our church community. She was eventually invited to attend a service in person and courageously decided to take that next step. When she came through our doors, she experienced the same love and kindness that she had experienced through the hampers. She felt welcomed, valued, and cared for by our congregation.

Catharine then registered for Alpha so that she could explore the Christian faith more deeply. Through the conversations, teaching, prayer, community, and work of the Holy Spirit, she made the decision to surrender her life to Jesus Christ! Due to an injury at work, she had turned to alcohol and marijuana to mask her pain and depression. Since surrendering her life to Jesus, she has stopped using both and is experiencing a new freedom in Christ. This summer, Catharine obeyed the Lord in baptism and publicly declared her faith in Jesus!

Catharine's journey did not happen because of one ministry, one event, or one person. Her story includes the generosity of those who donated to Hampers of Hope, the volunteers who prepared and distributed hampers, the digital ministry team that made our online services possible, the online hosts who welcomed her, the congregation that received her with love, and the Alpha volunteers who cooked, prayed, hosted, led conversations, and created a safe place for her to explore faith. It is a beautiful picture of the body of Christ working together and the Spirit of God drawing one life to Jesus! This is why we do what we do.

Throughout this past ministry year, we have seen our vision fulfilled in many wonderful ways. Nearly 100 adults and 50 youth registered for Alpha. Every registration represents a person with a story, a family, questions, struggles, hopes, and a spiritual journey. As atheists, seekers, people from other faith backgrounds, and those returning to church explored the big questions of life and the claims of Jesus, we had the privilege of walking alongside them. We pray that the seeds planted through Alpha will continue to bear fruit for generations to come.

Our Master's Pantry continues to be a tangible expression of the compassion and generosity of Jesus. Almost 400 people each month have received food, prayer, encouragement, and practical support. As needs within our community have increased, our faithful volunteers have stepped forward to serve as the hands and feet of Jesus. Through Hampers of Hope, we assembled more than 260 Christmas hampers that served over 1,000 people. These hampers are more than boxes of food and gifts. They communicate dignity, compassion, hope, and the love of Christ. Catharine's story reminds us that we may not always see the immediate fruit of an act of generosity. A hamper given in Jesus' name can become one part of a spiritual journey that eventually leads someone to the transforming grace of Jesus Christ. We also experienced wonderful opportunities to welcome people through our worship services and special events. More than 700 people attended our Christmas Eve service, making it our largest Christmas Eve gathering in twenty years! At Easter, almost 800

people worshipped with us in person, while more than 100 joined the livestream. Even the challenge of finding enough parking became a reminder of God's goodness and the privilege we have of welcoming so many people.

Our summer camps and ministries to children, youth, young adults, adults, and families have continued to create safe and engaging environments where people can experience Christian community and encounter the gospel. These ministries do not simply provide activities. They build relationships, open doors, strengthen families, and introduce people to the love of Jesus. We continue to pray for an invitational culture in which each of us looks for opportunities to welcome friends, neighbours, coworkers, and family members into the life of our church.

Our digital ministry has also enlarged our tent and enabled us to reach people who may not initially enter our building. Our online audience represents people who are hearing Scripture, joining worship, receiving encouragement, and taking initial steps toward Christian community. Catharine's journey from watching online to attending in person demonstrates why this ministry is so important.

I am deeply grateful for our staff, elders, ministry leaders, and volunteers. Our staff have served faithfully, diligently, creatively, and joyfully through a busy and fruitful ministry season. Our elders have provided spiritual oversight, prayer, and encouragement, even as we took steps to realign our mission, vision, and values. Our ministry leaders and volunteers have given countless hours to welcome people, teach children, disciple youth, lead worship, operate technology, prepare meals, facilitate groups, visit those who are hurting, serve our community, and share the good news of Jesus! We could not fulfill our God-given mission without you.

I am also thankful for the generosity of our congregation. This year included significant capital needs, particularly the replacement and improvement of our aging sound system and other important items. Although these expenditures placed pressure on our capital budget, the Lord provided through your faithful and sacrificial giving. Your generosity does not merely maintain programs or equipment. It creates environments where people can hear the gospel, experience Christian community, grow as disciples, receive practical help, and discover freedom in Jesus. We ended in a positive position with many new first time givers and that is something to praise the Lord for!

This year also represents 10 years of ministry at UAC for me personally. I have concluded that we overestimate what we can do in one year, and we underestimate what God can do in ten years. As I consider the past ten years, I've seen UAC change in meaningful and profound ways as we've moved toward a prayerful culture, deeper spiritual disciplines, stronger relationships, generous service, intentional missional engagements, and more passionate discipleship. We desire to be with Jesus, become like Jesus, and do what Jesus did. All towards the goal and aim to be disciples, grow as disciples, and make disciples! Thank you for your prayerful support and encouragement for my ministry and my family over these years!

As I reflect on Catharine's story, I am reminded that we do not always know how God will use a meal, a hamper, an invitation, an online greeting, a conversation, a prayer, or a simple act of kindness. What may appear small to us can become part of a much larger work of grace in someone's life. We faithfully plant and water, but it is God who makes things grow.

Catharine is one life, but her story is not the only story. Throughout our church, there are people who have found community, received care during seasons of grief, experienced answers to prayer, discovered their spiritual gifts, returned to church, explored Christianity, surrendered their lives to Jesus, and taken steps of faith and obedience. Each story reminds us that the gospel is still the power of God at work, bringing salvation, healing, hope, transformation, and freedom. You'll read some of these stories throughout this report.

The task before us is enormous, but the Lord is faithful. As we continue to depend upon the Holy Spirit, proclaim the gospel, make disciples, care for our neighbours, welcome seekers, invest in the next generation, and live out the love of Jesus, I believe that many more lives will be touched and transformed. One hamper. One welcome. One invitation. One conversation. One prayer. One significant relationship. One step of faith. One act of service. One missional engagement. One generous gift. One surrendered life. This is how we touch our world through Jesus, one life at a time.

The best is yet to come!

DISCIPLESHIP & SPIRITUAL FORMATION

ALPHA

Pastor Leonor Lopes

Alpha continues to be one of UAC's cornerstone ministries where people have opportunities to ask questions, explore faith, and have a safe place to really get down and wrestle with the most challenging questions life has to offer.

28 guests for our online program, 8 of which were unchurched

51 guests for our Spring program

31 guests for our Fall program

2 professions of faith

HIGHLIGHTS

A New Generation of Volunteers

Children as young as 4 years came to volunteer at Alpha.

The Path to Exploration Opens

A guest who originally came into Alpha with antagonism moved into an attitude of respectful curiosity by the end of the program.

Hearts Softened

Some guests faced challenges that would have barred them from coming to Alpha. Against all odds, supernatural intervention changed the situation and allowed them to come, hear the Gospel, and challenge their beliefs.

"Alpha was really helpful for me. There was so much I simply did not know, and going through the course gave me information I had never come across before. I also really enjoyed the discussions. It was good to be able to talk openly and hear different perspectives."

"Thanks for hosting such a great event! Despite lots of debates and arguments, we're forming friendships and starting to open up. God is faithful and doing His work for all of us."

- Alpha Attendee

"I used to reject God because I believed science and faith couldn't coexist, so I relied solely on my own strength and moral standards. That began to change when my tennis partner invited me to church. Although I accepted and started attending regularly, even after two years I still wrestled with deep questions and doubts about whether God truly existed. When I heard about the Alpha Course at Unionville Alliance Church, I decided to sign up and seek real answers.

Throughout the program, I enjoyed great food, watched thought-provoking films, and, most importantly, engaged in open conversations where I could freely ask questions or simply listen to others' perspectives. While I didn't get answers to every single question I had, the course deeply strengthened my belief in God. Ultimately, I accepted Jesus Christ as my Lord and Savior, and I was filled with joy to be baptized."

- Ob

MARRIAGE COURSE

Pastor Leonor Lopes

The Marriage Course, created by Alpha and offered online, was a beautiful opportunity for couples in both rough and smooth seas to invest into their marriages and strengthen the sacred bonds between themselves. It was greatly encouraging to see the success of the program and how well-received it was. Most importantly, the profound impact it had on participants is nothing to be ignored.

LEADERSHIP TEAM

- **Wes and Sharon Roberts**

34 guests
(17 couples)

HIGHLIGHTS

A Long Reach

Couples from as far away as the U.S. attended the Marriage Course.

"As parents of three kids, we found the online format very convenient. Being able to participate from home meant we did not have to arrange childcare, and it allowed us to manage our time efficiently without the added challenge of travelling on a weeknight. We also appreciated the privacy and comfort that the online format provided.

What we found most valuable was that the course created a dedicated time each week for us to reflect on various aspects of our marriage, including communication, forgiveness, family influences, and facing challenges together. In the busyness of life with kids, full-time jobs, and other responsibilities, these important areas of marriage are easily deprioritized or overlooked. The course was a great reminder that a healthy marriage requires intentional time and investment in each other, and that prioritizing that time to work on a marriage is both worthwhile and necessary!

This was a wonderful offering for married couples at UAC, and we would like to sincerely thank Sharon and Wes for the time they invested in facilitating the course."

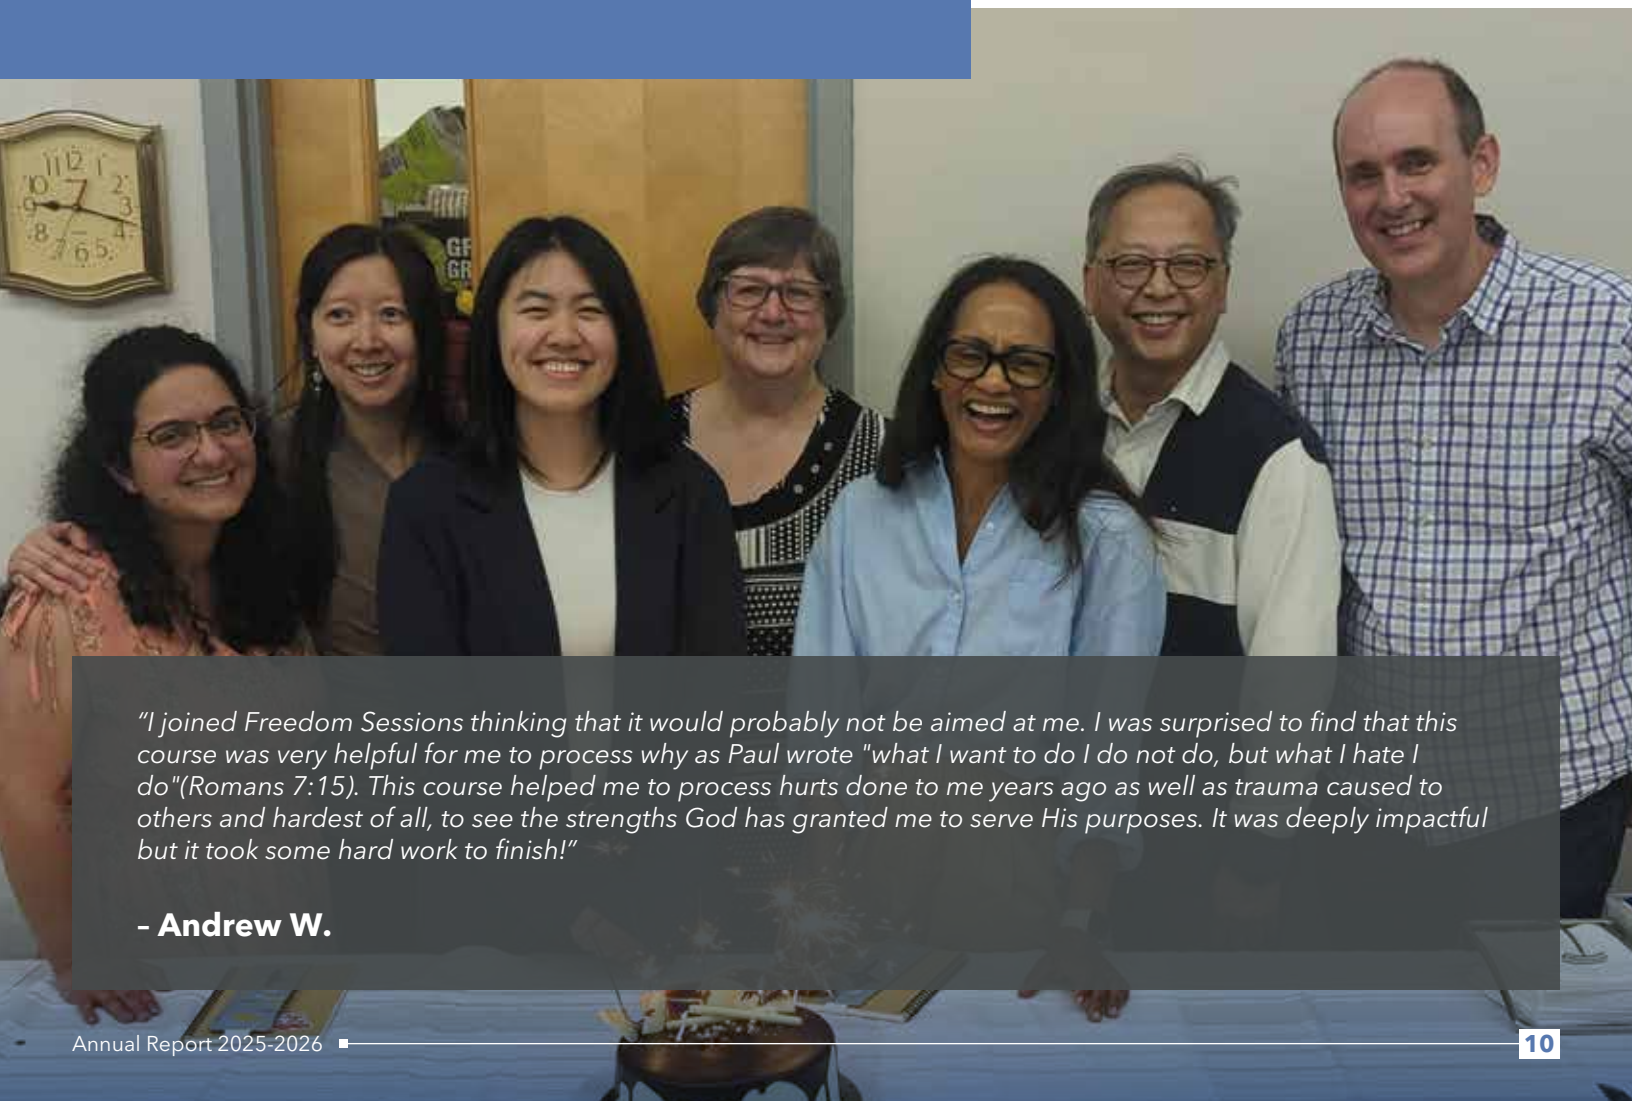
– Kevin L. and Shirley H.

FREEDOM **SESSIONS**

Pastor David Mok

Freedom Sessions has been a powerful healing program for a small group who committed to walking through it together. Over a nine-month journey, participants faced their deepest emotions head-on: confronting pain, lies, and falsehoods that had been carried, sometimes for years, beneath the surface. It was not an easy path, but with the help of God and the support of each other, group members chose honesty and integrity over avoidance, allowing long-hidden wounds to be brought into the light.

Through this process, God's healing became evident in ways that mere willpower alone could never achieve. The Holy Spirit gave participants the courage to speak truth over the lies they had believed and the strength to release burdens they had carried alone. Each step of the journey revealed how deeply God's word is filled with strength and redemptive power–transforming pain into testimony and brokenness into freedom. For this small group at UAC, Freedom Sessions was not just a program, but a genuine encounter with God's grace and restoration.



"I joined Freedom Sessions thinking that it would probably not be aimed at me. I was surprised to find that this course was very helpful for me to process why as Paul wrote "what I want to do I do not do, but what I hate I do"(Romans 7:15). This course helped me to process hurts done to me years ago as well as trauma caused to others and hardest of all, to see the strengths God has granted me to serve His purposes. It was deeply impactful but it took some hard work to finish!"

- Andrew W.

FELLOWSHIP & COMMUNITY

SHINE
WOMEN'S MINISTRY

Lisa Chapman & Pastor Leonor Lopes

The SHINE Women's Ministry is where women–both churched and unchurched–can find a welcoming, non-threatening environment to build relationships with each other and experience the love of Christ through authentic fellowship. So many people express their appreciation for opportunities to connect with others in a relaxed setting.

SHINE supports UAC's vision to touch our world through Jesus one woman at a time, all by giving them opportunities to be **s**een, **h**eard, **i**nspired, **n**urtured, and **e**mpowered. As our fellowship grows, SHINE will continue to provide belonging and spiritual encouragement for participants through monthly drop-ins, breakfasts, and so much more.

HIGHLIGHTS

Puzzle Night

Women gathered to enjoy each other's company, sip tea, and engage in some friendly competition!

Painting Night

Led by Anna Goh, women with painting skills ranging from beginner to intermediate got a chance to paint like professionals. So many discovered their inner artist and how to paint God's beautiful floral creations!

Averaged approximately
55 women
at each gathering

400%
Attendance increased over the course of the year

"It is hard to write in [a concise manner] all that the women's ministry means to me. The team has worked hard to create a welcoming space where I have been able to meet new women who have become good friends. The programs offered are a source of learning and a place where much fun and laughter occur."

–Marsha K.

"Participating in women's ministry has blessed me with meaningful connections and a strong sense of community. It has helped me grow spiritually through shared encouragement, prayer, and learning from others' experiences. I've also been inspired to serve and support others in ways that deepen my faith."

– Catherine W.

"On Saturday, June 13, I was delighted to attend the UAC's Women's Ministries' final meeting prior to the summer break. It was a delicious Buffet Breakfast with some of our UAC men doing the honours of preparing and serving. I personally found the fellowship experience to be a joyful time of meeting many new attendees, getting to know them and sharing words of encouragement to each other. In addition, Cheryl and Janna gave an update on their recent missions trip. We also welcomed a representative from the Rise Pregnancy Support centre who gave a presentation on the work of the centre. Thank you to Lisa Chapman and her committee for providing such informative and delightful times of fellowship throughout the year."

– Jo-Anne B.

MEN'S **MINISTRY**

Pastor Justin Hsu

Momentum continues to build as the men of UAC gather monthly for their Men's Ministry events, and we were able to welcome five new members to our community this year! It's a massive blessing for men to hear each other's stories, offer each other wisdom, and learn how to grow stronger as sons of God.

HIGHLIGHTS

Men's Hike

A solid pack of men dove into nature to explore the natural, rugged wonders of God at Hollidge Tract trail.

Testimony Sharing

Men had the opportunity to hear the amazing stories of two new brothers in UAC's community. The Lord brought one through a war-riddled childhood and has allowed his experiences to impact the faith journeys of others in his life. For the other, God paved the way and gave various signs of direction in his journey of entrepreneurship.

20%
increase in monthly Men's Breakfast gatherings from last year

40 men
at the BBQ

"Since I'm new to the area, the Men's Ministry helped me connect with other Godly men and build relationships with them. The men's ministry is a place to grow as men while having fun together."

– Harry L.

"There's been a real sense of brotherhood forming, where men are willing to show up authentically and support one another through both struggles and growth. I've been reminded of Jesus' presence in the community, especially in how He uses other men to speak truth, hope, and direction into our lives. Thank you UAC Men's Fellowship!"

– Noel C.

"Men's Ministry is a great way for guys to meet and connect with each other. It's one thing to see 'some guy' on a Sunday morning, but having sat at a table having a coffee and breakfast together, or going for a hike or sharing a bowling alley really helps to enhance and create stronger bonds between guys. I have appreciated the ability to continue to meet new men–both younger and older–and for us to get to know each other better and to foster relationships based in Christ and not worldly stuff. In his final exhortation to Timothy, the apostle Paul says 'But you man of God, flee from all this, and pursue righteousness, godliness, faith, love, endurance and gentleness.' (1Timothy 6:11). It is my prayer that through continued growth of our men and our Men's Ministry that the men of UAC will come to live out this verse."

– Les M.

OASIS
SENIOR'S MINISTRY

Pastor Leonor Lopes

OASIS relaunched with a new mission and vision this year, which has helped guide the ministry through a strong start and finish to the ministry year.

Our mission is *"to foster a community where mature adults are supported, valued, and encouraged in their faith journey. We offer opportunities for* ***spiritual growth, meaningful intergenerational connections, and service*** *to others all grounded in the love of Christ."*

Our vision is *"to develop a Christ-centered church family where mature adults and younger members* ***serve, learn, and fellowship together****—sharing wisdom, experience, and fresh perspectives."*

Through this year, a variety of events were organized to foster spiritual growth, strengthen intergenerational connections, and encourage meaningful fellowship within the community.

LEADERSHIP TEAM

- **Barbara Bitter**
- **Elaine Jack-son**
- **Frank Katana**
- **Jeffrey Kung**
- **Sarah Hoover**
- **Willa Yang**
- **Yvette Davy**

HIGHLIGHTS

Exciting Outings

OASIS hosted a cruise outing for all ages to explore the Grand River over lunch. It was a wonderful time for different generations to come together and enjoy the afternoon. OASIS also got a chance to go to a magnificent concert featuring André Rieu.

Information Sessions

Several workshops aimed at equipping and educating seniors were helpful, including how to live missionally at an advanced age, testimony sharing, and quality of life tips.

UAC Youth & OASIS Tech Training

The UAC Youth Fellowship was kind enough to dedicate a Sunday afternoon to providing free tech support for our seniors who aren't as digitally savvy as today's young people.

"I appreciated the session that provided information about accessing government support. Since that talk, I know someone who was able to access support."

"I really enjoyed the boat tour. The fiddlers had great skill. The food was good."

"One thing I remember from OASIS this year was a statement made at the missions session. The speaker said that missions is not just supporting missionaries in other countries but it is right here, right now. It starts with us at home. This is very important."

"The financial presentation was useful. Working on the committee I appreciated how everyone shared responsibilities."

SMALL **GROUPS**

Pastor Leonor Lopes

Small groups are places where faith is nurtured through meaningful relationships, shared prayer, and honest conversation. They offer a space to belong, to be known, and to grow together as we follow Jesus, because spiritual growth was never meant to happen alone.

18
established groups

17
new people joining small groups this year resulting in three new small groups

"I joined a Small Group in June 2025, and from the very first meeting I felt less like I was entering a group and more like I was being welcomed into a family. The way they prayed, shared scripture, and supported one another was intentional and genuine, and it quickly became a place where faith felt real and lived. When I asked for prayer for my 89-year-old father and a close friend facing health challenges, both situations unexpectedly turned positive, which deepened my trust that Jesus truly listens and works through his people. As my faith keeps growing, I've found that the more I place my trust in him, the more I sense his presence guiding decisions I once would have been afraid to make. Even in moments when things don't seem to be working, something good eventually breaks through, and it's an incredible feeling.

For anyone considering a Small Group, I'd say it's where Jesus uses community to touch lives in personal and practical ways."

– Marcel G.

"After Alpha I joined a small group and honestly it has been helping me a lot. I am learning more about Jesus and about faith, and at the same time I am building real community with people. We stay connected through WhatsApp and I appreciate that—it keeps us close even between meetings. What I value most about the group is how genuinely the members care for one another. There is no hidden agenda. Nobody is there for personal gain or ulterior motives. The support is real.

Something happened recently that really showed me what this group is made of. One of the members had their car battery die on them. Without any hesitation, a few of us dropped whatever we were doing and went to where they were to help boost the car. Nobody had to be asked twice. That moment said a lot to me. This is not just a group that meets and talks—these are people who actually show up for each other when it counts."

– Baosheng L.

THE NEXT GENERATION

WOULD YOU
RATHER?

POWER UP!
KID'S MINISTRY

Pastor Allison Alvares, Jadyn Sanderson, and Sophie Cook

50 children
Avg. every Sunday

81
Family Christmas Attendance

132
Family Easter Attendance

HIGHLIGHTS

Family, Fun, and Fellowship

The bi-weekly Family, Fun & Fellowship Nights continue to be popular, with the two Baking Nights being the highest attended out of the 14 uniquely-themed nights.

A Place to Call Home

20 new families encountered the love of Jesus through children's ministry and have chosen to call UAC their home church.

Preschool Expansion

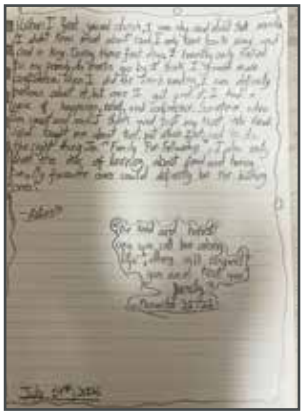
This year, Power Up! Kids opened their second preschool classroom for the Sunday morning program.

Committing Scripture to Memory

The children had the chance to perform an on-stage recital of Isaiah 53 on Easter Sunday, which they nailed!

Partnership with RISE

UAC has been proud to support RISE with the Moms 'n Tots program, where 13 moms and their babies come weekly for opportunities to bond, learn skills, and be supported. UAC was also privileged to help RISE hold their supporter breakfast, which was the biggest attendance for RISE's event to date.



When I first joined church, I was shy and didn't talk much. I didn't know much about God. I only knew how to pray and that 'God is King'. During these first days, I honestly only talked to my family. As months go by, I think I gained more confidence. When I did the Isaiah reading, I was definitely nervous about it. But once I got over it, I had a mix of happiness, relief, and confidence.

Sometimes when I'm upset or sad, I think about God and put my trust in Him. God taught me about trust, putting others first, and to do the right thing.

At Family, Fun, and Fellowship I love the mix of learning about God and having fun. My favourite nights were the baking ones.

- Astar N., 10

"After facing years of personal loss, I returned to church looking for a community where I could heal. My sister and I started bringing some of our kids with us to attend Sunday school, where they have fun learning about Jesus along with us and we have also attended the family events together which is always fun for the whole family. Recently, Pastor Allison's faithful prayers and personal support gave both my sister and I the strength to navigate a season of overwhelming life and career anxieties. God moved beautifully in our lives during that time, guiding both of us into wonderful new jobs at the same company. This ministry has shown me that Jesus sees our struggles and brings fresh hope into our lives; it is a true joy to see our entire family growing in faith and learning together in such a supportive community."

- Carol L. (parent)

"Over [the past 3 years] I have gotten to know Jesus better through Sunday School and other church activities and this has given me the confidence to share my faith with some of my friends at school (like one time someone brought a Bible to school and we talked about Jesus with some kids at school who didn't know who He was). I also really like the fun events we have at UAC for kids and families; they have given me the opportunity to invite my friends out to UAC. I really enjoyed the Easter event, Family Fun Fellowship baking and science nights and also helping to decorate the Kids Ministry areas in the Fellowship Hall and downstairs hallways. I am very thankful for UAC and the Children's Ministry!"

- Emma L., 11

"Serving in the children's ministry has been one of the ways I have seen God move most clearly in my life, in the past few months. As I watch the ministry team faithfully serve with unity, joy, and a deep love for God, I see His love reflected through them as they encourage the children to discover the truth of His Word through Bible stories, prayer, and active participation. The children's excitement, honesty, and simple faith reminded me of Jesus' words that we are to become like little children, and the enthusiasm of the children and the children's ministry team has encouraged and strengthened my own faith. Through this ministry, Jesus has gently brought me out of isolation, surrounding me with a team that has shown me acceptance and understanding. Jesus is touching me with His healing love, giving me renewed purpose, joy, and the confidence to begin living fully again. He has strengthened me physically and emotionally, assured me that I am deeply loved and will never be alone. He has given me a desire to pray for His children and the next generations while learning to interact with others again."

- Esther J. (volunteer)

POWER UP!
CAMPS

Jadyn Sanderson & Pastor Allison Alvares

Camps are an immensely important aspect of UAC's community impact, where we offer fun summer experiences all while introducing children to the wonderful truth of the Gospel! This year, a Youth Leadership Camp plus 3 children's camps were run in the months of July and August, themed around sports, science, and Ireland!

CAMP STAFF TEAM

- **Rachel Cheng** (Director)
- **Grace Cockburn** (Administrator & Inclusion Coordinator)
- **Grace Tang** (Volunteer Services Coordinator)
- **Naomi Goh** (Assistant)

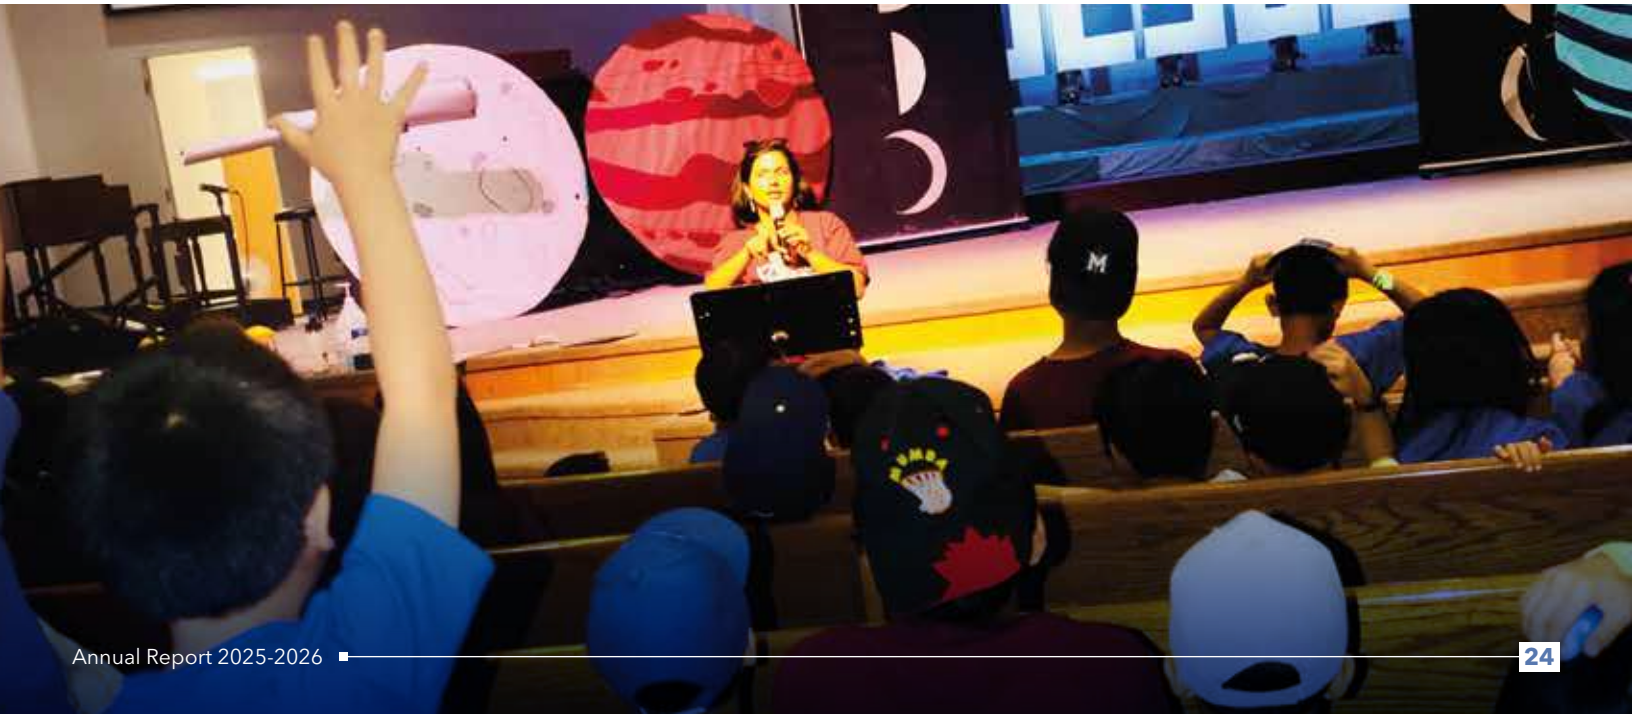
168 unique campers across all weeks of camp.

58 campers from unchurched background

238 total campers over the summer!

6 leaders pied in the face

63 volunteers came to help at camp, both from our church and the surrounding community



"Throughout this summer I have been able to witness God's work behind the scenes through the staff, volunteers, and campers. During one conversation with a camper, he asked me what I thought heaven looked like. After I shared my thoughts, he added in 'I think there will be a gate in the clouds. There will be lots of food, different islands and everybody will be flying!'. While the conversation was simple, I was touched by the interaction. This camper expressing his belief that there is a heaven and that there is a loving God through his creativity and imagination of what that might look like, left me hopeful and encouraged. UAC is blessed with the opportunity to share conversations about Jesus and touch the lives of campers through the big and little moments."

– Grace C.

"Years before I started regularly coming to UAC, I volunteered for summer camp when I was 13. My first impressions of volunteering at that camp was that the director had a really good memory for names, and that they immediately put me to work constructing and painting ancient Greek pillars (cardboard, of course). I questioned how much a cardboard pillar would add to camps, but when I walked through the doors on the first Monday of camps, the seemingly bland cardboard pillar that I had made fit into an elaborate decor setup that truly transported campers and volunteers alike into ancient Greece. The effort I had put into the pillars suddenly went from feeling unimportant to being part of something grand.

A few years later, I started regularly attending UAC with my family on Sunday mornings and was shocked that the same director greeted me by name after more than three years, and even more shocked that she became the children's pastor! Since then, I've returned to camps for 4 summers, and every summer I see how UAC goes above and beyond for camps in every aspect of camps—from making inclusion calls, sending postcards with personal messages to each camper and volunteer, to making sure none of the kids are sitting alone during lunch. And over the years, I've also come to realize that it was not just the kids who were being cared for and empowered to grow in their leadership skills—UAC also went above and beyond for me by taking the time to get to know me, pray for me, recognize my skills, and gradually entrust me with more responsibility. And just like my pillar, there was potential in me that UAC brought out over the years, transforming me from something that seemed unimportant into a part of something grand."

– Rachel C.

"At camp one day, one of the campers had a question about death and Heaven. We talked about how there's one person in the world who can survive even after death, and that man was Jesus, because He is God! Later on that day, during our small group discussion, we were talking about the resurrection, and the camper enthusiastically repeated exactly what I taught him—that the only person in the world who can beat death is Jesus. It comes to show that even a small little interaction with a camper can teach the most important truths and can stick with them for longer than you'd expect."

– Nia C.

YOUTH FELLOWSHIP

Pastor Justin Hsu

Our youth ministry has been experiencing amazing growth, particularly during our Wednesday evening fellowships. This year our worship team has not only expanded its membership but has further achieved a new level of excellence with their talents (to the extent of leading worship during Sunday service).
We also witnessed all the youth bonding extremely well at this year's retreat, and experienced the presence of the Holy Spirit. The retreat was punctuated by a karaoke night, and midnight star gazing/prayer time.

YOUTH LEADERSHIP TEAM

- **Nia Cantos**
- **Kirsten Fryer**
- **Jadon Smith**
- **Kyle Alvares**
- **Denis Lopes**
- **Tosch Birta**
- **Sophie Cook**

HIGHLIGHTS

Annual Youth Retreat

The youth gathered for a weekend at Scouts Canada's Woodland Trails campground for a time of fellowship, fun, and intentional invitation for the Holy Spirit. Some of the youth even began a prayer circle unprompted while under the starlit sky.

Worship Team Performances

Led by Nia Cantos, the youth worship team has been rapidly maturing as worship leaders, regularly leading worship for Wednesday nights and even leading on a Sunday morning!

Outings and Movie Socials

As the youth grew closer to each other, opportunities to hang out beyond Wednesday evenings became favoured for socialization.

Coding Club

Shirley Hui and Kyle Alvares helped lead an after-school coding club to teach Python to the youth, giving more opportunities for youth to invite their friends to Wednesday nights.

20% increase in Wednesday night youth attendance

64 students joined our annual summer youth retreat

54 students joined the September 2025 Youth Alpha program

"I've been going to UAC's Youth Ministry for over 5 years, but specifically in the past year, I have felt truly at home with the community that's been built. For a long time, I stayed relatively quiet within the fellowship and struggled to connect with people until the annual Youth Retreat. That's when I realized the warmth and joy of the youth group that I had long separated myself from. Youth Ministry has allowed me the opportunity to not only find comfort and friendship with others in the church but also pushed me further along in my faith. With people my age all striving to be Christ-like, I'm encouraged even in times of difficulty to do the same and remain steadfast in my faith. I have found a community that I can talk to, joke with, hangout with, and look forward to seeing every Wednesday evening and every other opportunity that arises."

– Natasha C.

"I have been in Youth since 7th Grade, and it has played a huge role in helping me grow in my faith. Through Youth, I have had so many opportunities to strengthen my relationship with God and build a Christian community of friends who encourage and support me in my faith journey. One of the many highlights of this year was the retreat, where I was able to grow closer to my friends while also deepening my relationship with God. I also had the opportunity to serve on the Youth tech team, which helped prepare and equip me to serve on the main service tech team. With the expansion of the Youth age group, I was able to share my experiences from missions and my own faith journey with the younger students, encouraging them as they continue to grow in their faith. I especially appreciated the guest speakers throughout the year, whose teaching broadened my theological understanding and challenged me to think more deeply about my faith."

– Steven H.

"Youth ministry has had a lasting impact on me. This past year, the topics we discussed and the passages we studied on Wednesday nights and at the retreat, including how to pray intentionally or how to discern God's will in our lives made me think more deeply about my faith. It got to the point where my friends and I would go home and write down questions together, reflecting on what we had learned, and bring those questions back to our leaders and Justin, who were always so willing to help us find answers. As someone who loves music, youth gave me the opportunity to step out of my comfort zone and serve on the worship team, where I discovered that music is one of the ways I most deeply connect with God and experience His presence, eventually leading me to serve on the adult team as well. It also introduced me to a great community of people. In fact, it is a place where I met some of my closest friends! I am incredibly blessed and grateful for my time in youth, and now that I am graduating, I feel more prepared as I step into this next season of life."

– Hannah A.

RECLAIMED
YOUNG ADULTS

Pastor Justin Hsu

The young adults have been continuing to grow closer together as a community and constantly strive to make new members feel welcome and loved. Our young adults truly display the love of Jesus to their brothers and sisters in Christ, which I had the privilege of witnessing as they covered members of their community with practical care and prayer whenever difficulties and situations arose! This past year the young adults worship team has also grown and is now regularly granted opportunities to lead worship on the main stage during Sunday service!

LEADERSHIP TEAM

- **Bethany Roberts**
- **Ethan Appadurai**
- **Michael Daffern**
- **Victoria Allicock**

15-20
at bi-weekly
Friday Fellowship

HIGHLIGHTS

Blue Mountain Ski Trip

The young adults visited the Blue Mountain Ski Resort for a weekend of fun and bonding.

Annual Fair Havens Camping Trip

This year was the third annual camping trip! With some tricky weather involved, the young adults had to band together to overcome the challenges imposed by a rainy morning.

Praise and Worship Nights

Regularly spaced throughout the year, the young adults hold praise and prayer nights. The worship is powerful and motivating, and sometimes devolves into very passionate karaoke–but God is praised either way!

"The Reclaimed young adults group has been my community and spiritual home for almost four years now (which I can hardly believe!). Over this past year, I've gotten to welcome newcomers and returning UAC members alike to our growing group. For some of those people, I instantly knew we would be life-long friends. I'm always excited to play board games and hang out… but I have been so blessed to study, pray, and worship alongside these brothers and sisters. Most of all, I'm grateful for how I've watched my friends grow in various aspects of their lives, including their faith. We have shouldered each other's burdens in the hard times, rejoiced in the good times, and encouraged each other constantly (in some unique ways LOL). I can't wait for more adventures with Reclaimed!"

- Michael D.

"Reclaimed has been a wonderful part of my spiritual journey over the past year. As a member of the leadership team, I was grateful for the opportunity to dive deeper into God's word, and to share His truth with fellow young adults. As an attendee, I've been blessed by the teachings of other leaders and guest speakers, which have led to many meaningful reflections on my own walk with Christ. Particularly in this period of life in which Christian community is limited among my peers, I am blessed to have routine moments of connection with my brothers and sisters in Christ. The warm and welcoming atmosphere of Reclaimed that I am able to participate in and to cultivate is something for which I am endlessly grateful. I pray that the Lord will continue to abundantly bless the young adult ministry, bringing the Reclaimed community closer to each other and to Himself."

– Victoria A.

"Reclaimed has impacted me this year by providing me with a community to fellowship and do faith and life together. It has been a great place to meet others who love God, pray for and with you, and inspire you in your walk with God. It's a welcoming group and a fun place to be on Fridays! I've been blessed by the friendships I made and the God-loving people in it!"

– Chelsey T.

SERVICE & COMPASSION

HOSPITALITY

Barb Doner

This year has been the busiest year for our team so far! It's impossible for us to count how many buns were eaten, how many pounds of cheese were used, or even how many cups of coffee were made over this last year. The hospitality team supports so many ministries, feeding bodies so that the ears are free to hear God speak to the souls.

These ministries are sometimes supported in small ways, helping them plan for their events, and in larger ways, preparing and serving all the food. Some events are small, with 15 people attending and others get to be quite large. Did you know that the team prepares food for 400 people on any Sunday where we offer snacks? And with over 700 people attending our Christmas Eve service and almost 800 at our Easter service, that's a lot of food to prepare! God is good and provides many people who help the team with prepwork, serving, or cleaning up after. Thank you to everyone who has helped. We appreciate every one of you!

It has been so wonderful to welcome families who are willing to serve snacks and help the hospitality team. What a great way to teach children to incorporate service into their lifestyle now and develop a spiritual discipline that they can continue through the rest of their lives!

We don't often know how our support has impacted lives for decisions to follow Jesus, but we know that food makes people comfortable, and when people are comfortable they are more likely to listen more carefully and engage in meaningful conversations. It is our privilege to support the work of God at UAC, touching our world through Jesus one meal or snack or drink at a time.

Hospitality supported
21 different ministries
(with regular meetings throughout the year)
and other events with food

Over **5,600 snacks**
served over the summer

"Our family is so thankful for such an eye-opening experience as to how much work and effort is required in making a fundraising event like The Peru Dinner a success! We were so grateful we could be a small part of it! Through serving in different roles and handling tasks that are "behind the scene" such as washing dishes and cleaning up, our family got to appreciate how God uses everyone's work, big or small, to bring glory in His kingdom. We took this as a teaching opportunity for our children. We pray that they'll grow up as humble servants for the Lord, in whatever roles God calls them to serve."

- A family who served

"The new stainless steel countertop with larger sinks has made it so much easier to wash our bigger trays and pans. The new spray head on the tap is very powerful and it is easy to soak yourself while cleaning up. We laughed so hard every time the water sprayed us or some innocent person standing a little too close."

- A hospitality volunteer

TORONTO
ALLIANCE CHURCH

Vino Gulasekharam, Claude Mathieu, and Lisa Mathieu

"Several months this past year, there has been a shortage of crock pot sign ups, but God has worked in the hearts of the UAC members and consequently, all our needs have been met."

"In May, many of our ham sandwiches were not delivered, so we were short and concerned that our TAC guests would be disappointed. We took the few loaves of ham sandwiches that we had and surprisingly we had lots left over! This reminded us of the miracle of Jesus feeding multitudes with just 5 loaves and 2 fish. God more than met our needs!"

IWe have enjoyed getting to serve once again with Pastor Bill, Pastor Oscar, and their team from Toronto Alliance Church as they minister to people in need in the downtown community.

From September 2025 to June 2026, we have continued to serve hot meals and sandwiches upstairs, as well as providing individual lunch bags that were handed out at the door. There is still a great need for meals in the area around TAC, and consequently, we have increased the quantities that we send. Currently, every month that we serve at TAC, we provide multiple crockpots of hot soup/chili and sandwiches enough food to serve 50-60 people upstairs and additional packed lunches containing one sandwich, a drink box, dessert and fruit that is served at the door. We also include a special treat at Easter, Thanksgiving, and Christmas time. Each treat is accompanied by an encouraging Bible verse.

n addition to the many crockpots and sandwiches, we donated non-perishable food, clothing, and other personal hygiene items all of which were greatly appreciated. Our hat/mitten/warm socks/underwear drive that we held in November was very successful and we had our biggest haul yet!

Over this past year we have been so grateful for all the assistance we've received in packing the lunch bags. The dedication of our volunteers has been greatly appreciated and it has been wonderful to see families working together to complete this very important part of the TAC ministry. We have also been blessed to have Small Groups, Board members, UAC members and non-UAC members join us in serving at TAC. At times, it has been challenging finding enough volunteers to serve downtown, but God has continued to provide for these needs and we are very grateful for these volunteers who readily give of their time.

We have enjoyed working alongside the TAC pastors this past year and we are looking forward to seeing how God will continue to meet the needs of the people downtown through this ministry of reaching out to those who are hungry both physically and spiritually.

Over **50 individuals** are served soup and sandwiches bi-monthly

200 pre-packed lunches distributed every visit

HIGHLIGHTS

Volunteer Influx. Many new volunteers signed up to help, with some even being unchurched.

Winter Clothing Drive. The 2025 Winter Clothing Drive in November has been the most successful drive UAC has run for TAC so far!

"Serving with TAC has transformed me to carry the compassion of Christ which first drew me to the faith. During my first time, there was an incident with a disruptive individual during Pastor Bill's post-meal sermon. Where I expected anger and frustration, I saw the patience and forgiveness of Christ. Pastor Bill also reminded me of the urgency of the Gospel through the stark reality that many of the guests could die of overdose the next day without having come to know Jesus. Today, I carry with me a renewed perspective of the sacrificial, unconditional love demonstrated on the cross."

– Timmy C.

MASTER'S PANTRY & **HAMPERS OF HOPE**

Nancy Wilson

Master's Pantry continues to be a vibrant ministry at UAC and this past year is no exception to seeing God at work in the lives of many people. Through our food banks twice per month, Master's Pantry continues to bless many families and touch the world through Jesus, one life at a time. There continues to be a huge need in our community and all of York Region as the cost of living continues to increase. We are seeing an average of 2 to 3 new families each time we open. We also provide a light breakfast and coffee in the Fellowship Hall at each pantry. We have seen attendance increase as people enjoy the food and fellowship with other families and our UAC volunteers. This is a blessing to so many. I am so grateful to Jane Griffin and Marsha Powell-Winsor for hosting this, getting people looked after and making them feel welcome.

As you can imagine, to be able to continue this ministry requires many volunteers. Recently we've had some new volunteers as well, which is such a blessing. It is wonderful to see God touching people to come and be part of this ministry. There are so many opportunities to pray with people and show interest in them. This is what sets us apart from other food banks. Many times the clients who come say what a blessing it is to have people that are genuinely interested in them, no strings attached. At both Mothers Day and Fathers Day we had the opportunity to bless people with a small gift that we put together. It was overwhelming to see how appreciative people were, many saying that they had never been given a gift before for that occasion and it meant so much.

This past December we ran our annual Hampers of Hope program again, and we were able to bless so many families through it. Each family received food for 2 to 3 days, produce, a whole chicken or turkey, and gift cards. Once again, we were blessed with our partnership with Hockey With Heart, and The Village Grocer, who sponsor so much of our program by providing all the meat and produce for our hampers. We also had several other corporate sponsors who continue to partner with us and I am grateful to Russell Foy who coordinates all this and has such an important relationship with so many companies. We could not put on a project as extensive as this without the help of these sponsors, the many donations from the congregation, and all the volunteers who help over the week. It was wonderful again to have Wayne Nishimura coordinate drivers from the Hockey teams to deliver so many of the hampers.

Recently we started a partnership with the new owner of COBS Bread Bakery at Wismer Commons in Markham. We receive bread donations twice per week, which is wonderful. Also, for the 5th year we received plant and herb donations from Valley View Nursery at the end of the season, which the clients so enjoy.

Master's Pantry is much more than a food ministry. Although this is a very practical ministry for people in need, it is much more than that. God is using the volunteers as His hands and feet to minister to each and every person in need, and to show them the love of Jesus. As we have contact with these dear people and get to know them personally, it is so evident of their need for Jesus, and such a privilege to share God's love with them.

400 clients (65 families) served every month

1070 people (260 families) served over Christmas through Hampers of Hope

29 regular volunteers

10% increase from last year

"One man came [to Hampers of Hope] not knowing he had to pre-register, and you could see the disappointment on his face. I asked him to wait with a cup of coffee, while the volunteers got one of our extra boxes we had prepared. By God's provision we had extra turkeys and produce, which we were also able to give him. He went away very happy. In January he came to Master's Pantry and asked to speak with me. He said with tears in his eyes: 'You will never know how much that meant to my family; you gave us Christmas that we otherwise would not have had. I am so grateful to this church.' That man experienced the love of Christ through this simple act of kindness."

"I would like to sincerely thank [UAC] for the kindness and generosity you showed my family during the Christmas season. The grocery food voucher you provided was truly a blessing for me and my family at a time when we needed support the most. Your generosity eased a difficult moment for our family, and I will always remember the warmth and dignity with which your support was offered."

- A Hampers of Hope client

PASTORAL **CARE**

Pastor Daniel Mills

The Pastoral Care Team meets monthly to review the needs of our church community and pray for those in need. Through prayer, calls, emails, texts, and visits the team is an extension of our pastoral staff that seek to support, care for, and encourage those in our church who are going through sickness, grief, loss, pain, trials, loneliness, and hardships. We are a ministry of presence that seeks to be the hands and feet of Jesus throughout our church community. Pastoral care also happens organically as many within our church support their brothers and sisters in Christ as they see needs arising. Through small groups, friendships, and bonds within the family of God, deep community is being built as we help one another in our times of need. This is the body of Christ in action!

"UAC has been a real blessing for me and my family. They are very concerned with my needs, and always ask if there is anything else they can do for me, during a phone conversation. They always keep in touch and say a prayer, before hanging up. They do such a fine service for so many that need it."

– Dale

"I have definitely appreciated the prayers, the care, help, phone calls and emails from the pastoral care ministry. They keep in touch with us and bless us, which means a lot, and keeps us going on!"

– Paul

"As a member of UAC, I'm so grateful and thankful for the support that I received from the Pastoral Care Team when my husband, Ray Mills, passed away this year. Through meals provided, visits, phone calls, and most of all prayer, I felt cared for and loved by the body of Christ during this very difficult time. It's hard to put into words the gratitude that I have for this team and my church. Thank you from the bottom of my heart."

– Carol M.

PRAISE & PRAYER

WORSHIP & **CREATIVE ARTS**

Pastor Kesha Wint

As I celebrated 20 years in ministry at Unionville Alliance Church this year, I found myself reflecting on God's incredible faithfulness. Looking back over the past ministry year—and over the past two decades, I am humbled by how He has continued to grow not only our Worship & Creative Arts Ministries, but also me. It is a privilege to serve alongside such gifted and faithful volunteers who use their talents each week to point people to Jesus.

We were thrilled to welcome Keith Rajkumar to our team as Associate Worship Director. He brings not only exceptional musical ability across multiple instruments, but also a genuine passion for Jesus, His Church, and developing others. While continuing to work full-time as a physiotherapist, Keith has faithfully invested in mentoring our youth and young adults worship teams. We are grateful for the gifts and leadership he brings as we continue to grow together.

This year also saw several new volunteers join both our Worship and Creative Arts teams. It has been a joy to welcome, equip, and train these new team members as they discover and use their gifts to serve the Lord and our church family. As it says in Colossians 3:23, "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."

As we look toward the next ministry year, we do so with great faith and expectation. Our prayer is that every song, every creative expression, every volunteer, and every gathering will continue to point people to Jesus. We are committed to raising up the next generation of worshippers and leaders, investing in spiritual and creative growth, and cultivating an atmosphere where people can genuinely encounter the presence of God. We believe God is preparing us for even greater things in the coming year. Together, we will continue to pursue excellence, embrace creativity, and above all, glorify Jesus in everything we do. To Him alone be all the glory.

727 in-person attendees to our Christmas 2025 service
28% increase from last year

771 in-person attendees to our Easter 2026 service
31% increase from last year

Both the latest Christmas and Easter services are the **highest attended services** in the past **20 years.**

HIGHLIGHTS

New Staff.
Welcomed Keith Rajkumar to the staff as Associate Worship Director.

Upgrades.
Invested in sound equipment upgrades to better support worship gatherings.

Broken Records.
Continued growth in attendance and engagement during our Christmas and Easter services.

Inspiration.
The team attended the ElevationWorship concert at Scotiabank Arena for inspiration and team development. They also participated in several River Worship gatherings.

Investing in the Team.
Hosted workshops to encourage spiritual and musical growth within our teams.

Planning & Strategy.
Continued regular worship leader planning meetings to prayerfully prepare for each sermon series.

"When I first started in Media Arts, I had no clue how God could use this ministry to bless others. I understand now that Media Arts is about caring about the little details that help people focus on and hear the message He has for them."

- Megan W.

"Serving in the Praise & Worship Ministry for the past few years has transformed my heart, shifting my focus from performance to a genuine connection with God. The pressure to sing perfectly has been replaced by a deep peace that carries me through life's challenges, and serving the congregation has become an even greater joy."

– Nolly C.

"The Worship Ministry at UAC didn't just shape my worship it ignited a fire in my spirit that refuses to dim throughout the week. Serving on the worship team has taught me to carry God's presence with confidence, not just emotion, turning every song into spiritual warfare and every moment into surrender. Through this ministry, I discovered a deeper identity, where worship isn't simply something I do, but a calling that continues to transform me from the inside out."

— Binu G.

"The worship team has been the core of self reflection and affirmation of my faith. Music resonates with my soul more than anything, and the feeling I get during praise and worship is indescribable. It completes the portal for deeper connection with God."

– Michelle M.

"What I love about this ministry is that each of us use our gifts which I view as small individual pieces of a puzzle—we rehearse individually prior to meeting and when we all get to play together it becomes something extraordinary. It's very much like the loaves and fishes—God blesses our obedience and offering and it becomes this really special experience that lingers and resides with me throughout the week."

– Valerie T.

"As I always say, worshiping God in our worship team is a cure for my severe depression eight years ago, because worship carries the energy and blessings from God that cast out any darkness in our lives! Besides, it is the reason why we are here on Earth!"

– Jim L.

"Coming into the worship ministry, I held onto many pre-conceived notions for what worship should and could be like. UAC's worship culture has profoundly challenged me to explore new expressions and genres of worship that I have always wanted to delve into. Pastor Kesha's enthusiasm and leadership are an inspiration to me of what it means to be Spirit-led and I am reminded that there is much to learn in my own personal journey."

– Timmy C.

"Serving in the worship ministry has deepened my relationship with God and strengthened my commitment to leading others into His presence through worship. Rehearsing and serving alongside the worship team has provided a supportive community that encourages spiritual growth, prayer, and excellence in our ministry. Through worship, I have witnessed God's presence touch hearts, reminding me that music is a powerful instrument for drawing people closer to Him."

– Gerald R.

"Being able to use my creative gifts to worship and serve God, who created me, is a privilege like no other. It has not only brought the joy and satisfaction of personal and musical growth, and a closer kinship with my fellow believers in the worship team, it has most importantly allowed me to facilitate the corporate worship of many individuals from all backgrounds as one body, and to bring glory and honour to the kingdom and the name of my Saviour, Jesus Christ, in the hopes that others may come to know Him as their Saviour as well."

–Paul M.

"I joined the choir as a volunteer to encourage my daughter, Sophie, to step outside her comfort zone. Although we were both shy, singing together helped us overcome our fear of performing in front of others. With Kesha's patient leadership and encouragement, we developed confidence, teamwork, and singing skills, making this a truly meaningful volunteer experience."

–Paul S.

PRAYER MINISTRY

Pastor Daniel Mills & Cheryl Roe

Where would we be without prayer? Prayer is the ministry that undergirds every other ministry at UAC. Prayer invites God to be part of everything we do at UAC. Jesus has assured us in John 15 that **"apart from Me, you can do nothing."**

The UAC Prayer Ministry is led by a team of people committed to Jesus, to prayer, and to UAC. Our greatest desire, along with Pastor Daniel, is that UAC would become a **"house of prayer"** as Jesus declared His house to be in Luke 19. As a team, we believe that it has been a great year for prayer! Sometimes things seem like just a drop in the bucket but each drop adds to the whole. Here are some of the wonderful happenings in prayer ministry this past year.

We have learned to grow in prayer in a variety of ways this year. We are confident that God will continue to move us in His direction as we seek to cultivate an atmosphere conducive to prayer and dependence on Him.

LEADERSHIP TEAM

- **Cheryl Roe**
- **Petrina Buell**
- **Vanessa McKay**
- **Wesley Philip**
- **Franklyn Pietrsz**
- **Lily Zhang**

35% increase in the prayer team's size

Average of **30 people** coming out to our Tuesday night prayer gatherings in person & online

8,424 collective minutes of prayer every day for camps over the summer

87% increase in the number of participants in our U-PRAY 40-Day Prayer Challenge at the start of the year

HIGHLIGHTS

A Regular Practice

People gathered for weekly prayer meetings and bi-monthly worship nights.

Going Deeper

Special courses were offered throughout the year to deepen prayer and teach new ways to pray such as the Fasting Practice, Listening to God, and the Scripture Practice.

U-PRAY

Our annual 40-Day Prayer Challenge starting from January 1st almost doubled in the number of participants from last year.

Covering Our Ministries in Prayer

We held 30-day Alpha Prayer Challenges in September 2025 and May 2026.

Every Sunday

Our church family gathered before every service to pray. For the summer, we took advantage of the nice weather to go on prayer walks around the building instead of our usual gathering.

Listening

We added a component to our Sunday service to listen to God in prayer. This helped our church understand that prayer is not just talking to God but also listening for his voice, direction, and leading.

"Why do I come to the prayer meeting before every service? Because I believe in the power of prayer."

- Tony M.

"During our 40-Day Prayer Challenge, we were encouraged to try a new posture for a week. When I did that very simple thing, somehow it changed my whole outlook on my personal prayer time with the Lord. I can't really explain it, God just did it."

- Sophie C.

"Fasting, in addition to our prayers, helps cultivate a period of restoration for our body and our soul. I see it as a tool to help sharpen our focus and to bring clarity to a particular situation or need. This spiritual discipline allows us to be more aware of what God is truly saying to His people. To be completely aligned with His plan for our lives is truly a wonderful thing. It is so encouraging and ever so peaceful."

- Marsha P.W.

"Abiding in God's word has always been my desire, and I am always eager to learn more. When The Scripture Practice was offered at UAC, I signed up for it. It was only four sessions and felt totally doable. I loved how the videos were explained in a simple manner for understanding, and the exercise offered after each lesson was a good way to stretch it. If you already have the discipline of reading scripture, you will appreciate it. I always enjoyed sharing and listening to others in the group about how they interpreted one or more of the exercises in their daily routine. Something that stuck with me is that the literary design of the Bible forces us to slow down and prayerfully reflect so we can fill our minds with the words and thoughts of God and let them shape who we are."

- Salome A.

"Recently, I was diagnosed with a few health issues by ultrasound and on top of that I needed a surgery. During the healing service on Sunday in the series on the Book of James, in the quiet time to listen to God's voice, I heard 'Healing!' which really gave me a sense of peace and encouragement. Then at the end of the sermon I really felt encouraged when the pastor said we shouldn't carry our burden alone and we should trust and rely on God and our community. So I had the courage to go line up for an anointing and healing prayer from the elders. I never had the courage to do that before. The elder who prayed with me listened to my concerns with kindness and patience, then he anointed my forehead with oil and prayed for me. It was a very powerful and emotional moment. The following week I visited my surgeon. To my great surprise, I was told that I didn't need surgery at all after two surgeons examined me. How good is that! Then I did further tests for my other health issues and the results were all fine! Now most of my physical pain is almost all gone! The doctor still needs me to do some further checkups, but now I really believe that I am totally fine because I feel that God has truly healed me. Praise the Lord! I'm so grateful for our church, my small group, our pastors and elders, and especially that time of prayer during the healing service!"

- A grateful congregant

MEDIA ARTS

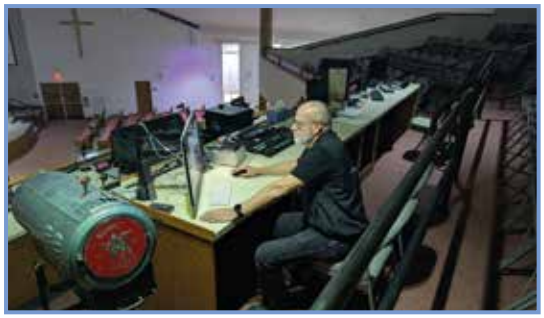
Terry Doner

In this last year we completed part two of our **sound system renovation project.** The scope of this year's investment was the replacement of the on-stage monitor system which included the introduction of an "In-Ear Monitor" capability. It also helps reduce overall volume.

Many people were in attendance for the townhall presentation in May on our **lighting system project.** Those present really appreciated the opportunity to see the problems we need to address firsthand. Since that time the Board has approved that we proceed as proposed over the next two fiscal years. (The first tranche of equipment has been ordered and an installation plan for the fall is being made).

In the spring of this year, we suffered a rather rapid deterioration of the auditorium video projectors. Although they were at end of life, they were not showing any signs of pending failure. I hoped that we could get a few more years out of them. Because of the failure, we had to make an unplanned purchase to replace them, but we should be well positioned for the next 10 years. We also installed a new TV on the balcony wall which is much better positioned and more visible information display for the platform participants.

We continue to make minor investments in equipment so that we can ensure overall system reliability.



HIGHLIGHTS

Growth in Numbers & Skill

The media arts team is growing in size and ability.

Adaptation

Our musicians are really happy with the new in-ear monitor solution. One musician who had prior poor experiences with other solutions commented that our solution was good.

OUR MISSION
Unionville Alliance Church exists to lead people to know Jesus Christ and to follow Him passionately.
OUR VISION
UNIONVILLE

Sharing God's Message of Hope
SHOE BOX

OUTREACH

DIGITAL **MINISTRY**

Jadon Smith

While the impact and significance of in-person gatherings is undeniable, many church-goers and seekers still look through the online space for a community to call their own. I have the privilege of showing those online how wonderful our community is, and reaching out to invite them into it.

Last year was our first year going all in with an established Digital Ministry, and the growth was impressive and staggering. But since then the growth rate has evened out. Despite the slower growth, God has reminded me that He is still at work! With every new subscriber, follower, and percentage increase in any metric, that's an increase in the likelihood of someone online hearing the Good News for the first time. And that's what encourages me to continue pushing to touch our world through Jesus, one screen, one livestream, one Instagram post, and one life at a time.

If you're reading this and haven't yet engaged with us on any social media platforms yet, can I encourage you to partner with UAC in its digital mission by following us or sharing our content with your friends?

Livestream attendance increased by 29% across all platforms:

130,338 Impression
(126% increase from last year)

156% increase in post engagement

39% increase in followers

Content was shared **13%** more often than last year

46% increase in followers

282% increase
in post engagement

32% increase in subscribers

12% increase in average YouTube livestream viewcount

HIGHLIGHTS

Livestream Consolidation

We transitioned off of the Church Online Platform for our Sunday morning livestreams, consolidating our efforts onto YouTube for greater discoverability.

Accepted Invites

Over 20 people visited our church for Christmas and over 30 for Easter after Instagram and Facebook ads we ran encouraged them to visit us. A number of these visitors have become regular members of the congregation.

MISSIONS

"Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age."

- Matthew 28:19-20

100+ children sponsored through Compassion Canada

"Assurance Assembly is a marketplace ministry focused on helping insurance professionals encounter Jesus. Our main expression is a monthly mid-week worship during lunchtime at the heart of the financial district. We hope to be a space where colleagues and business partners in our industry feel comfortable entering whether they are exploring faith for the first time or reviving a dormant faith.

In January of this year, we announced our partnership with Unionville Alliance Church to become an official New Venture of the Alliance Canada. We are grateful to UAC for supporting us especially in the areas of mentorship, spiritual direction, and financial accountability. Earlier in June, we kicked off our discernment process for our 2028 Vision. As part of this process, we gathered our Advisory Board for its inaugural meeting, with Pastor Daniel serving as one of its members. The invaluable advice and feedback we received will become guideposts in this visioning journey."

- Eric Lee, Founder & Leader of Assurance Assembly

"On Compassion Sunday, my husband and I were encouraged to see how many children and their families were being blessed by our congregation. This is a blessing for everyone concerned. Our children are grown and married with families of their own. Throughout their childhoods we sponsored children from World Vision. Reading the testimonials of such children it is obvious what a blessing sponsorship is in their lives. This was even more compounded when I was blessed by the opportunity to go on a mission trip with World Vision where I met the sponsored children in a community. I still remember the excitement of one child as she showed us her 'shoebox' from OCC. Compassion Canada has allowed us as grandparents to give the opportunity to 2 of our granddaughters to bless the life of a girl who lives in a less privileged part of the world. By writing back and forth they can see the similarities and differences and because Spanish is their second language I hope one day they will write in Spanish or maybe even visit the community."

– Don & Adeline

"Last year was our family's first time volunteering during the Operation Christmas Child Collection Week and at the Shoebox Processing Center. It was a meaningful experience that brought our family closer together, helped us spend quality time away from our phones, and helped us learn more about serving God missionally at UAC. We worked as a team to process shoebox gifts, welcome guests to our church, and be a part of a larger mission-focused ministry that UAC supports. We are so grateful for having the opportunity to serve in this way, and we look forward to volunteering in the future."

– Paul

"Through this year's Peru missions cohort, I have felt blessed by the deeper relationships I have been able to build with other youth and made connections with people who I would probably have never talked to otherwise. I feel so blessed to be a part of this team which is made up of such wonderful people. I have also learned more about how to minister to others through the various activities we've had to plan. As well, by going overseas to teach, we have had to be innovative in planning our lessons due to limited resources. So, as someone who wants to go into ministry, I have been blessed to learn and develop tangible lesson plans in a creative way."

– Kaitlin T.

"This summer, I had the opportunity to go on a mission trip overseas to a country that is majority Muslim. I would like to express my sincerest gratitude for the support of UAC in partnering with me to share the good news of Jesus and explore his wonderful world. During this trip, I increasingly learned the importance and power of prayer, as my team frequently prioritized times of devotion and prayer. I also learned that it is more acceptable and common for individuals to experience dreams and visions of Jesus in various parts of the world. Through a community dedicated to the spiritual growth of each other, we were able to plant gospel seeds in locals and build relationships that, Lord willing, will lead to many new members of the kingdom of God."

– Simon

"I went on a Mission Trip to Boston with my school, and it really was an eye-opening experience! God was present during the morning evangelism on university campuses and during the kids' camp we ran at the park. During the trip, by God's power, I was able to overcome my fear of street evangelism and share the good news of Christ. I was also able to share my faith with the little kids who came to camp. Another blessing was finding a new family in Boston from the church that hosted us. They showed me that God's family is everywhere and we are all brothers and sisters in Christ. The encouragement and support from UAC was heartwarming and helped make this trip possible for me."

– Steven H.

"This year I had the incredible opportunity to join P2C on the Filter of Hope mission trip to Costa Rica. Throughout the week, we witnessed God at work in so many ways both through us as we served and within us as He continued to grow us in our faith. As a team, we distributed 39 water filters and New Testaments, giving families access to clean water while also sharing the hope of the gospel. We had the privilege of sharing the gospel with 68 people, and 7 people prayed to receive Jesus Christ as their personal Lord and Savior. Seeing God soften hearts and transform lives was an incredible reminder that He is always at work. We were also encouraged by the faith of the local believers and inspired as they shared their testimonies of God's faithfulness. I am so grateful to everyone who made this trip possible, including the support from family, friends, and UAC."

– Jessica W.

"Reboot was a great experience! UAC sponsored me to attend during the summer of 2025. It was a camp designed for missionary kids that aspired to teach them about life in Canada, help them heal from certain traumatic experiences, grow in their faith, and make meaningful connections. I got to meet missionary kids who grew up near me and those who lived very far away. It was my first time meeting so many people with whom I shared similar experiences. One of my key takeaways was from a morning devotional. It was that we should have hope because, as Christians, we have confidence that God uses all the events of our lives for His purposes. There is nothing "pointless"; everything is meaningful and can bring us closer to Him and allow us to do His will. I am so thankful to be sponsored by UAC to attend Reboot! It was an unforgettable experience that I will treasure."

– Naomi G.

"Thinking of the folks at UAC always warms our hearts, for over the years they have loved on us, prayed for us, and supported us in so many ways. The first time we came back for home assignment, our UAC family prepared our house for us before we arrived. We walked in, put our suitcases down, and we found everything ready for us, from corn flakes in the cupboard and toothbrushes in the bathroom. We were overwhelmed! As many of you know, in November of 2025, we experienced a severe flood in our city. We lost about $4000 CAD worth of household items, including our car. We were so thankful for UAC, who helped us replenish those lost items through their generosity. In January of 2026, John & Beth Cook brought out a whole suitcase full of food and household items that were damaged or floated away. Fast forward 26 years and we are now on our 6th home assignment. This time we have a sick 21-year-old, whom we had to bring back 2 months before we could return. We told our son that we were worried about how she would be able to eat in the two months before we could get back. That same day we received a note from a UAC member telling us that women from the church would bring her food twice a week until we returned. We can't even write these words without the tears welling up. UAC has been God's great gift to us through all these years. Thank you!"

– Derek & Bonnie Burnett, International Workers in Thailand

"Over the last year, our primary focus has been developing and delivering a health & fitness program for women and young men in one of the nearby IDP camps to a people group that has suffered genocide, mass traumatization, persecution, and displacement from their homeland. We are thankful to the God who designed us to have hearts to share our love of physical activity and how it benefits us in many ways beyond just the physical. He has called us to use our education and experiences (A worked as a physiotherapist, and M served in the Forces before moving overseas) to hopefully enrich the lives of our program participants, while also being an example of the love and light of Jesus in how we treat them. God has also led us to become more and more involved with Ultimate Frisbee in our city. Introduced by a German IW, Ultimate Frisbee is a non-contact, self-governed sport and prioritizes good communication, enjoyment, fair-mindedness, truthfulness, and mutual respect. Through participation and leadership in this sport, we met people whom we now disciple and work with in our programs in the IDP camp, and have witnessed the work of the Holy Spirit as He has drawn at least three people from this community to give their lives to Jesus. How amazing is it that God uses all things, including sport, as a way to draw people closer to His heart. UAC's support, from prayer, encouragement, and financial contributions, has been essential in allowing us to continue in all of these efforts. Thank you for your unwavering and selfless generosity!"

– Matt & Amelie, International Workers in the Middle East

FACILITIES

Tony Miles

The Facilities Committee is responsible for overseeing the upgrading of the Unionville Alliance Church facilities and to assist the Facilities Manager, Pascal Leung, in the ongoing maintenance of the Church. We view our role as to create a positive first impression for anybody entering Unionville Alliance Church.

We wish to thank Pascal for his ongoing work in keeping the facilities in the best condition in addition to a big thank you to all the volunteers who helped with the numerous projects tackled this year.

FACILITIES COMMITTEE

- **Tony Miles**
- **Andrew Alagaratnam**
- **Jason Alvares**
- **Terry Doner**
- **Don Griffin**
- **Denis Lopes**

HIGHLIGHTS

Accessibility

Replaced a stairwell railing with one that meets AODA requirements.

Safety

Installed balcony stair edging for additional safety in low light conditions.

Youth Building

The youth room (AKA the portable) received security upgrades, a total ramp and railing replacement, and extensive water damage repairs.

The Kitchen

The kitchen got a well-deserved facelift, including new cabinets, a stainless steel countertop, and a brand-new industry standard 3-compartment sink. A commercial freezer has also been purchased.

Maintenance

The parking lot received some much-needed repairs, and the office got repainted.

Sanctuary

We completed a two year upgrade of the sound system to repair and upgrade our failing system in order to continue to provide a wonderful worship atmosphere.

AGM 2025 MINUTES

September 28, 2025

Elders Board Chair, Johnny Chankin, called the meeting to order at 12:42 pm and delivered some introductory remarks. He thanked the congregation for their support and helping to keep the church leadership accountable. He shared some reflections from Hebrews 10:23-25 and then opened the meeting with prayer.

1 - REFLECTIONS FROM LEAD PASTOR DANIEL MILLS

Pastor Daniel expressed gratitude for all that God is doing at Unionville Alliance Church (UAC) throughout this past ministry year. He encouraged the members to read the AGM Report because there are amazing stories of God at work. He shared that over 140 people enrolled in the Alpha courses this past ministry year and how it represents the church's invitational culture. He took time to express his appreciation to the elders, staff and ministry leaders for their service and sacrifice.He reemphasized his desire for UAC to be a house of prayer and a people of prayer. He encouraged us to consider how we do that. He exhorted us to attend the weekly Tuesday night prayer meetings with his vision for a hundred people to be involved each week.

Pastor Daniel reflected on the sermon series this past ministry year that focused on the study of Jesus, The Way. It was a multi-faceted series where we were able to see the beauty of the Way of Jesus. He introduced The Made for More sermon series beginning in the fall that will equip people to discover their spiritual gifts.

He reminded us how UAC is to be a place where unchurched people and seekers can come to. In particular, how we are to be a church for the unchurched that lives out the biblical principles of love, grace, community and fellowship. One example Pastor Daniel highlighted is the work of our Master's Pantry under the leadership of Nancy Wilson. Master's Pantry continues to be a holistic ministry of outreach to people of all faiths and no faith that serves almost 400 people a month with food and prayer.

Pastor Daniel highlighted the ongoing church leadership and staff strategic mission, vision and values planning led by Winston Miller and Mike Snow. He expressed gratitude for their time and commitment to this process.

For the next ministry year, Pastor Daniel challenged the membership in five specific areas:

1. To make a commitment to come out to a Tuesday night prayer meeting.
2. To pray for one person to invite to Alpha.
3. To take a step to join a small group.
4. To surrender your gifts and talents to the Lord.
5. To grow in a spirit of generosity.

He expressed thanks for his wife Laura and her support without which he could not do all that he does. Pastor Daniel also thanked those who pray for and volunteer to assist staff. He was also thankful for the financial contributions from our congregation this past fiscal year totaling $1.4 million in total revenue. Lastly, he appreciated the strides UAC have made in our digital outreach.

2 - APPROVAL OF MINUTES OF SEPTEMBER 22, 2024, ANNUAL GENERAL MEETING (JOHNNY CHANKIN)

1. Moved by Terry Doner. Second by Winston Miller. Motion passed by show of hands.

3 - ELECTION OF MEMBERS FOR THE NOMINATING COMMITTEE (JOHNNY CHANKIN)

1. Johnny noted that members Virgina Chan Smith and Salome Alagaratnam have been selected as nominees for the 2026 Nominating Committee. The membership was instructed to vote on their paper ballots. The results will be tabulated and announced at the end of the meeting along with the election of elders.

4 - ELECTION OF ELDERS (JOHNNY CHANKIN)

1. Claude Mathieu (2nd Term), Andrew Wallace (1st Term) are candidates for the position of elder.

2. Andrew introduced himself and gave a short update on his experience and background.

3. Elaine Phillip and Kenneth Chung were selected to be tellers.

4. Members were instructed how to vote using the paper ballots.

5 - 2024-2025 FINANCIAL REPORT (NESA GULASEKARAM, TREASURER)

1. Nesa reviewed the highlights of the Auditor's Report and accompanying statements.

2. Nesa asked if there were questions from members on the Auditor's Report.

3. Nesa reviewed key elements of the actual 2024-2025 Income and Expenses.

4. All of the Income fund highlights were explained and compared to the prior year.

5. A Capital Fund update regarding the sanctuary sound system project was provided.

6. Nesa noted that the Capital Fund is not part of the Operating Expenses.

7. Nesa also provided a breakdown of the church's restricted funds.

8. Overall, there was a $127K surplus of revenue over expenses this past fiscal year. Nesa thanked God for the faithful giving of the congregation.

9. Nesa took questions from the members.

- ***Jesse Burnett inquired if the church has any outstanding loans?***
  No. The church takes any needed monies from our surplus and reserve funds.
- ***Maise Menezes asked about the condition of the church roof and if there is more work to be done?***
  Tony Miles explained that the roof is inspected every year and is not yet due for a repair. However, it will need to be addressed in a few years.
- ***Michael Wong asked what the increase in the 2026 Capital Fund budgeting is for? Are you able to give an indication of what the increase pertains to?***
  Nesa explained that the question will be addressed when he presents the 2025-2026 Budget.

10. There were no other questions. Johnny thanked Nesa for his faithful duties as treasurer and his added duties as the interim bookkeeper last year.

6 - APPOINTING OF THE AUDITOR FOR 2025-2026 (NESA GULASEKARAM)

1. Nesa moved that Norton McMullen LLP be appointed as auditors for the 2025/2026 Fiscal Year. Motion was seconded by Tony Miles. Motion passed by show of hands.

7 - PRESENTATION OF THE 2025-2026 BUDGET (NESA GULASEKARAM)

1. Nesa reviewed the key elements of the Budgeted Income and Expenses. Highlights include:

- The $130K of the $200K increase to the Capital Fund is to budget for Phase 2 of the sanctuary sound system replacement project. The remaining amount is set aside for facility upgrades, foyer, and any contingency needs. Nesa responded to a prior question from the floor explaining how the church does not budget for Government grants. Any Government grants the church receives UAC treats as income.
- The budgeted income for the Missions Fund was explained.
- Nesa provided an explanation for the noted increase in the amortization percentage.
- He thanked retired church bookkeeper Mary Odinotski for her faithful service and the amount of work that is involved to oversee the church's finances.
- Nesa welcomed Chandra Nalliah as the new church bookkeeper.

2. Terry Doner then updated the members on the first phase of the Front of House (Sanctuary) Audio replacement Capital Project that was installed in October 2024. Terry shared the second phase of this capital project is scheduled for this coming fiscal year and will involve the replacement and enhancement of the stage monitoring system for the musicians. Terry thanked the congregation for their generous giving over the past two years towards the new system.

3. From the floor, Jesse Burnett expressed appreciation for the necessary sound system upgrades.

4. Nesa thanked Terry for his leadership and contribution to the project.

8 - REPORT FROM TELLERS (JOHNNY CHANKIN)

1. Johnny reviewed the results from the ballot votes:
   - Nominating Committee: candidates Virgina Chan Smith and Salome Alagaratnam by majority vote were elected.
   - Elders: candidates Claude Mathieu and Andrew Wallace by majority vote were elected.
2. Johnny congratulated all those who were elected.
3. A motion to destroy the ballots was made by Johnny Chankin. Second by Jesse Burnett. Motion passed by show of hands.

9 - OTHER BUSINESS (JOHNNY CHANKIN)

1. Johnny invited questions from the membership floor:
   - Raymond Wade expressed on behalf of the entire congregation his sincere thanks to Pastor Daniel, his wife Laura, the church staff and BoE for their service and leadership. He expressed his sincere thanks for all who serve in the ministries of the church.
   - Wesley Philip inquired about the direction of the Urban Farm community garden field.
   - Denis Lopes asked if there is a specific communication plan or a timeline in place for the wider use of the undeveloped portion of the church property? Pastor Daniel responded how we continue to be a people of prayer and a church community who works together to discern ideas about the potential strategic land use as we pray into our future. We want the land to be used for kingdom purposes.
   - Don Roe recognized Barb Doner for her tireless service. We thanked and acknowledged Terry and Barb for their 40+ years of volunteer service at UAC.
   - Daniel also thanked all those who volunteer and make a wonderful impact on our church.

10 - JOHNNY CHANKIN CALLED TO ADJOURN THE MEETING AT 02:08 PM.

11 - WES ROBERTS CLOSED THE MEETING IN PRAYER.

UNIONVILLE ALLIANCE CHURCH
