

Dear FCC Church Family,

Over the years, God has blessed our church in so many wonderful ways. Through your faithful prayers, generous giving, and willing service, our church has remained a place where lives are changed, families are strengthened, and the love of Christ is shared with our community. For that, we are deeply grateful.

Today, I want to share with you two facility needs that have recently arisen.

First, our church's air conditioning chiller was vandalized, resulting in significant damage to the system. The estimated cost to repair and restore the unit is approximately **\$10,000**. The cost would be much, much higher if it were not for professionally skilled HVAC technicians in our congregation who are donating their labor to rebuild the chiller. *Thank you, Staci Altemeyer and Ed Hampton!!!!* In addition, extraordinary security devices, cameras, and alarms are being installed to prevent this kind of vandalism in the future.

Second, our parking lot has reached the point where it requires professional crack filling and oil seal coating to preserve the asphalt and prevent much more costly repairs or replacement in the future. The estimated cost for this important maintenance is **\$50,000**.

Together, these unforeseen expenses total approximately **\$60,000**.

While our regular operating budget faithfully supports the ongoing ministries and daily needs of your church, these major repair projects fall outside our normal monthly budget.

Therefore, I would like to invite everyone who is able to prayerfully consider making a special one-time gift toward these facility needs. Every contribution—large or small—will help us preserve the buildings and property that God has entrusted to us and ensure they continue to serve future generations.

If the Lord places it on your heart to participate, you may designate your gift as "[Code Red](#)" on our website or Church Center app or [CLICK HERE](#). Your generosity will go directly toward repairing the chiller and restoring our parking lot.

The Apostle Paul reminds us in 2 Corinthians 9:7:

"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver."

Thank you for your faithful partnership in the ministry of our church. Your continued generosity enables us to focus on what matters most — sharing the Gospel, discipling believers, serving our community, and providing a welcoming place where people can encounter Jesus Christ.

Our church has always responded with remarkable generosity whenever a need has arisen. I have every confidence that, as we seek the Lord together, He will once again provide through His people. Thank you for considering how you can help us preserve the facilities that support the ministry we all love.

Please join us in praying that these repairs can be completed quickly and that God will continue to provide for every need of our church family.

May God richly bless you and your family.

With gratitude and appreciation,

Pastor Bill Buchholz
