

DIGGING DEEPER

Welcome to the New Series, “*One Small Step...*”. Where we focus on how small steps can change the trajectory of our lives. Take some time to review, reflect and respond to the following questions as it relates to your life and the message this week.

1. Revisit Romans 8:1-38. Write down two things that catch your attention. What implications do they carry for you today in living a vibrant, Christ filled way?
2. Pastor Nik said, “A Vibrant Church Transforms the World.” How would you respond to this statement? Where have you seen this in the world you live in today?
3. Look at Romans 12:1-2. What do you think it means for the church to be a “transforming” community? What does this mean for you as being the Church?
4. John 13:34-35 gives us a glimpse into what it looks like for the church to transform the world. Write down the key thought from these verses. What is then required of you as a follower of Christ carrying the call to be part of transforming your world?
5. Read Luke 2:16-21. Jesus is the fulfillment of this prophecy from Isaiah. As followers of Christ, what do you think your responsibility is in light of this revelation? What does it look like today to take part of this on a daily basis?

MAKING IT PERSONAL

1. What small steps do you need to take today in your personal life, marriage, parenting, school, work? (Pick one or two focal points max) Who will you invite to be part of helping you take this step?
2. Find a scripture verse or two (use google, or AI if necessary) that you can write down and place in a prominent place for you to memorize when that will help you stay focused on where the Holy Spirit is leading you to. Write down the verse that you chose.
3. Who is someone in your life, that needs breakthrough in their life? Write down their name and commit to praying for them, and asking God to give you a chance to invite them to join you next week!
