

GETTING TO KNOW YOU

1. Why do you think so many people in history have struggled with being "doers" instead of "hearers"?
2. Can you think of a time where you knew something that you should have done, but didn't? How did that turn out?

DIGGING DEEPER

Pastor Evan Westerfield, our Grove Church Creative Lead, took the platform to continue our *Discipleship* series where he tackled the idea of being doers and not just hearers. Take a few moments to work through the following questions as you deepen the truths of week 4.

1. What do you think when you hear the statement: "We don't "do" *for* God to love us. We "do" *because* God loves us."
2. Read James 1:19-21. Between being quick to listen, slow to speak, and slow to anger; what stands out to you the most?
3. What do you think of the statement: "Because God has been slow to anger with me, I should be slow to anger with others."
4. Read James 1:26. What do you think James means when he says: "Their religion is worthless."

5. Read James 1:27. What does it look like to love without expectation of return?

MAKING IT PERSONAL

1. Read James 1:22. What do you think of when you hear that verse?
2. What is one thing you can commit to doing instead of just hearing this week?
