DIGGING DEEPER

Part 6 of "Discipleship" is where Pastor Nik challenges us with the truth that all of us are disciples who make disciples. Take time to process what that means for you today as you answer these questions:

1. Matthew 28:19-20 is what is often referred to as The Great Commission in church world. Break this passage down as to how it directs you in today's world. What does it mean for you?
2. Would you say you have passion that is stirred with The Great Commission? Why or why not?
3. Hebrews 5:11-6:3 presents a few challenges to you as a follower of Christ. What stands out to you? What do you feel most confronted?
4. What does Ephesian 4:11-16 reveal to you about how the church should operate? What would you say your role is as it relates to this passage? How does that encourage or challenge you?
