Information & Instructions

Grace Church | Middleburg Heights

As a caring community, Grace Church maintains a way to assist people in extreme or urgent financial need by providing short-term material help, biblical guidance and spiritual support for long-term financial health. The goal is to help families experience the full measure of God's blessing and provision in every aspect of life. God enjoys blessing those who live to please him, obey his commands and seek him for every need.

When the Philippian believers honored God with their money he promised to provide for their needs.

And my God will meet all your needs according to the riches of his glory in Christ Jesus.
Philippians 4.19
