## *This Changes Everything*

Luke 24:1-12 | Pastor Tim Meier

### *When hope feels out of reach...*

Have you ever felt like you couldn't see a way forward?

We all try to fix things, but sometimes it doesn't work and bigger questions surface.

**Jesus didn't come just to make us feel better—He came to bring real hope and ultimate purpose.**

### *When hope seems lost...* [Luke 24:1-5a]

They expected death, not resurrection. Jesus' death was intentional, he took on sin so we could be made right with God.

**This wasn't about being a good person, it was about being rescued.**

### *What if it doesn't make sense yet?* [Luke 24:8-11]

At first, it didn't make sense. It even sounded unbelievable.

**It's okay to wrestle with doubt, faith often starts there.**

### *But what if it's true?* [Luke 24:12]

If Jesus is alive...

...you can be forgiven.

...you can have real hope.

...you can know God.

**Because Jesus is alive, everything can change.**

**What could your next step be?**
