## THE RESURRECTION AND THE LIFE

John 11:25, 1 Corinthians 15

### **Jesus is the Resurrection and the Life**

- Resurrection is not only a future event, it is found in Jesus today.
- The question remains: 'Do you believe this?'

### **Lazarus was dead..dead**

- Jesus waited until there was no doubt Lazarus was truly dead.
- His miracle revealed His power over death

### **Jesus sees and feels.**

- Jesus knew Martha's grief and was deeply moved by Mary's pain.
- He wept with those He loved and still meets us in our suffering

### **Resurrection changes us.**

- Eternal life begins the moment we trust Christ.
- Jesus still brings new life, restoration, and transformation today.
- Freedom in Christ leads us toward a life of liberation

### **Live the resurrection.**

- Because Jesus conquered sin and death, we have victory in Him.
- Live by the power of the Holy Spirit.
- Reflect the resurrected Christ wherever He sends you.
