Happy Sunday!

GO WEEK 2026

Eyes To See the Mission | Luke 7:36–50

SEEING LIKE JESUS

Simon saw a sinner. Jesus saw a beloved daughter.

We must not see people through cultural, religious, or moral categories — but through the lens of God's redemptive potential.

Seeing is not passive. When we see as Jesus sees, we respond.

THE GOSPEL MUST BE MORE THAN WORDS

When we see as Jesus sees, we respond with a hopeful message.

Jesus can redeem any life, circumstance, or story.

Because of the Fall, every aspect of our lives has been bent by brokenness.

The Gospel must be more than words — it must be demonstrated and declared.

WHEN PEOPLE MEET JESUS, THEIR LIVES CHANGE

...from bondage to bold witness.

...from exploiter to extravagant giver.

...from hidden shame to public dignity.

...from outcast to evangelist.

Forgiven people become proclaiming people.

THE INVITATION

There are still so many we haven't seen. More than three billion people have little or no access to the good news of Jesus.

The question remains: **Who will go?**

- Pray for Alliance workers.
- Give generously to the Great Commission Fund.
- Send — release your sons and daughters.
- For some, go. Your next faithful yes will change someone's eternity — and their today.

What is your role in God's global mission right now:

PRAY, GIVE, SEND, OR GO?
