Happy Sunday!

HOW TO BE HUMAN: WORSHIP

Genesis 1-2, Revelation 5:12-14

WHAT IS WORSHIP?

Worship isn't just music, it's reverence and adoration.

WE MINISTER TO GOD IN WORSHIP.

- Worship is first about Him, not us.
- We bring ourselves to God as a sacrifice of praise.

Am I coming to worship to bring? Or just to get?

GOD MINISTERS TO US IN WORSHIP.

- As we minister to God, He meets us with his presence.
- Worship is encounter, not just emotion.

Am I engaging? Or just observing?

WE PRACTICE OUR FOREVER FUTURE.

- Worship is a glimpse of eternity.
- We are practicing now what is already happening in heaven.

What would it look like to worship with more freedom?

IT'S ALL WORSHIP.

- Not just the songs, but our prayers, the message, all of it.
