He guides into true rest and restoration.

Psalm 23:1-3

- Jesus offers restoration and still waters, no matter our circumstances.
- Restoration reminds us of our true identity, as His people, His sheep.

He knows what He is doing.

Psalm 23:3

- Jesus knows what we really need, even when we don't understand the path.
- We can trust that He has in mind what is best.

He knows where you're going.

Psalm 23:4

- He's taking you somewhere on purpose.
- Even in the darkest valley, the Shepherd is leading you toward what is good.
- We can trust His direction because He sees what we cannot.

He's with you in the face of enemies.

Psalm 23:5

- God doesn't always remove your circumstances or your enemies, but he sustains us through them.
- He is on your side and in control.
