Yes No

Secret societies. Many Christian leaders have talked about the conflict between devotion to the Lord Jesus and maintaining membership in a secret society. Grace Church affirms this teaching of full allegiance to Jesus that is not compromised by vows to a secret society (we're glad to pass along an article on this if you'd like to read more). Because of this, individuals who have membership in a secret society will not be considered for elected positions at Grace (e.g. Elder, financial officer, etc.) until leaving the secret society.
