December: 2nd, 9th, 16th

What we're talking about:

The Gospel of John + Loving Like Jesus

In Youth at IBC we want to become lifelong followers of Jesus who learn to love like Jesus, in our relationship with God, with one another, and the world around us.

We've identified 4 tangible ways that Jesus loved and we are focused on living these out in our ministry:

Abiding Love – love that flows from being connected to God in all we do.

Compassionate Love – love that sees and cares for all people, not just those we like

Truth-filled Love – love that speaks and lives God's truth with grace, even when it's uncomfortable

Sacrificial Love – love that puts others before ourselves, giving up resources, preferences, or the need to win

FALL RETREAT 2026 @ SABINE CREEK

Mark your calendars for **November 13–15** because we're going to Sabine Creek for our fall retreat! We are still gathering details on cost, activities, etc., so stay tuned for more information on a great weekend!
