Let's Pray...

- For a peaceful resolution to world conflicts, asking that God would grant world leaders a spirit of reconciliation and protect the vulnerable who are caught in the crossfire.
- Ask for God's guidance as we walk alongside family members who do not share our beliefs.
- For our Tech Department who work behind the scenes each week, using their gifts to ensure the Gospel is shared clearly both in person and online. May they be refreshed in their service.
- That our church would be a sanctuary of support and a beacon of light to everyone we encounter this week.
- For those in our community and beyond who are battling depression, anxiety.
