CPO Ministries is uncompromisingly and unapologetically a Christ centered, Gospel oriented ministry, dedicated to the proclamation of the Word of God, the advancement of His Kingdom and the glory of His name. All of our programs are built on that foundation and designed to fulfill that purpose.

We offer worship services, discipleship classes and individual counseling for inmates, vocational training, mentoring and Bible studies for ex-offenders, outreach programs for families including food distribution, counseling services, Bible studies, holiday food and gift distribution and more.

With God's help and direction, CPO is expanding our capacity and reach to more inmates and families with the love of Christ!
