## *Live Entertainment featuring 'Shackwater Band'*

By Christy Howard

From 5pm to 7pm on Saturday we feature a local favorite. Shackwater is a highly popular classic rock and blues cover band rooted in the Finger Lakes. Known for delivering crowd-pleasing performances, the group specializes in a diverse, nostalgic blend of soulful blues and timeless rock anthems. They are a staple of the Upstate New York live music scene, regularly drawing enthusiastic crowds to regional venues, and major seasonal events—such as our "Corn Festival."

### *This is a Parish "All hands" Event*
