Take Your Next Steps In Faith

Consider your next step in living generously.
What kind of giver is God calling you to be
in this season?

Curious

I am interested and ready to give when something moves me.

Conscientious

I am regularly giving a specific amount.

Committed

*I am intentionally increasing the percentage of my income
I give as I move toward a tithe.*

Celebratory

I am giving a tithe, or 10 percent of my income.

Captivated

*I am setting a lifetime giving goal that requires
me to ask God not, "How much should I give?,"
but rather, "How much am I
supposed to keep?"*
