

Free English Classes

First United Methodist Church of Austin offers free English classes for adults who want to become more comfortable and confident speaking English. Classes are available in person twice a week and online once a week.

In-Person Classes

Mondays and Thursdays

10:00AM–Noon

Family Life Center

1300 Lavaca Street

Austin, Texas 78701

No advance registration is required. You are welcome to come to any class.

If you are able to attend in person, we strongly encourage you to do so. Face-to-face conversations can help you learn more quickly and build friendships with other students.

Zoom Classes

Mondays

10:00AM–Noon

New Zoom students must be living in the United States. Former FUMC English students who have moved away—including those who have returned to their home countries—are welcome to continue attending by Zoom.

To attend, email fumcenglish@yahoo.com and tell us a little about yourself. We will reply with the Zoom link. Please do not share the link with others. If a friend is interested in joining the class, invite them to email us directly.

Who Are These Classes For?

Our classes are offered at the intermediate and advanced levels. They are best suited for students who already speak basic English and want more practice speaking with confidence. We do not currently offer classes for beginners.

Prepare for Class

The lesson for each class will be posted online the evening before the class meets. If possible, download and review the lesson in advance so you are ready to participate.

Questions? Email fumcenglish@yahoo.com.
