A Word From the Pastor

“The Lord’s Supper- Part 2”

With the weather being uncertain this weekend, our leadership team made the decision to postpone our observance of the Lord’s Supper until next week. In the latter months of 2025, I discussed with our Deacons and Communion Committee the idea of observing this ordinance more often. After fielding their questions and engaging in fruitful discussion, both groups were in support of moving forward at the beginning of this year. In the space below and in next week’s article, I would like to walk through two reasons why I believe this is an important move for our church.

I pray that I have made this clear in my tenure at FBC Manning thus far, but I want to reiterate that this is not Andy McCall’s church. As is the case with all churches, this is the Lord’s church. With that in mind, we should constantly be seeking to understand what God’s Word says about the church. So then, what does Scripture say about the Lord’s Supper? The most well-known passage is located in 1 Corinthians 11 where Paul quotes Jesus saying, “Do this as often as you drink it in remembrance of Me.” Still, the question is, how often is “as often as you drink it?”

While there is no verse that explicitly delineates the frequency of Communion in the church, Acts 20:7 provides helpful insight. This verse states, “On the first day of the week, when we were gathered together to break bread, Paul began talking to them.” Many scholars believe that when Luke mentions that they were assembling to “break bread,” that he was referring to the Lord’s Supper. Some churches contend that Acts 20:7 advocates for a weekly observance of communion. While I do not believe there is enough evidence to conclude that this verse requires the church to observe the ordinance at each gathering, it does promote a regular and often observance.

Therefore, as long as unforeseen circumstances such as weather do not hinder our gatherings, we will observe communion on the last Sunday of each month. Next week, we will turn our attention to the idea of routines and how this relates to the Lord’s Supper.
