# A Word From the Pastor

## “A Prayer for Mother's Day”

Today is Mother's Day. A day when we celebrate one of the most wonderful gifts that God has given the human race. It is a day marked by joy and gladness. A day that possibly brings hope and excitement. But also, a day filled with memories and desires that perhaps evoke mixed emotions. And so, with all of these possibilities in mind, I feel that it is appropriate to pause for a moment and offer a prayer for Mother's day.

Almighty God, while we are thankful each day for mothers, today we offer a special word of appreciation to You for the mothers in our lives. Our plea this morning is that we would honor them well. We ask that each one would be encouraged through their families and the time they have with one another. Let us not forget that it is because of them that we have life, through the grace of God.

We are also thankful today for the spiritual mothers in our lives. While their blood may not course through our veins, they are the ones who have pointed us to the precious blood of Jesus Christ. Thank you, Lord, for a church family that is filled with godly women who wish to see the younger generation grow closer to You.

Father, we also pray for those in our church family and community that no longer enjoy the presence of their mother here on earth. We ask that you comfort and encourage them. Remind them, Lord, of the precious memories that they have of their time together. Most of all, remind us of the hope we have in Christ, that we will one day be rejoined to that great cloud of witnesses for eternity.

We also come before You this morning, asking that You would comfort those who are praying fervently for the gift of motherhood. Your Word says that You are “near to the brokenhearted.” We pray for Your Word to be fulfilled according to this Psalm. That those who hope for this gift would know that you are close.

Finally, Lord, we offer a prayer of protection for expectant mothers. The gift of life is such a joy. However, we are well aware that those nine months can be filled with sickness, worry, and even fear. Our prayer for those mothers is that you would remind them that You are the Great Physician. You know all things and are at work in all things. Protect them and their precious little ones.

All of this we pray, in Christ's Name,

Amen.

-Pastor Andy
