# A Word from the Pastor

## “A Request for Prayer”

In just a few days, we will enter the month of September, which means that our youth search committee has been at work for nearly 18 months. Or it might be more appropriate to say that they have been hard at work for nearly 18 months. The road has been filled with anticipation and a few moments of disappointment. But even in those moments of disappointment, the team remains certain that God will send us the right person at the right time. They are also confident that the church family is fervently praying for this process. At 18 months, though, it seemed appropriate to make a few specific prayer requests in regard to our youth pastor search.

First, as in all things, pray that God’s Will would be accomplished in this search. In Jesus’ example of prayer in Matthew 6, He prayed, “Your will be done, on earth as it is in heaven.” No matter the circumstances, when we pray in this way, a massive weight is lifted from our shoulders. Because God will accomplish His purposes in the world. We want to ask nothing less from God than this concerning our search. That His candidate would find our church, and that we would select His candidate.

Secondly, pray for our search committee. Through many hours of meeting, praying, and deliberating, they have grown closer to the Lord and each other. They are passionate about the work you have entrusted to them and desire to select the right candidate. Pray that the Lord would continue to guide them and that they would have a peace when God’s person arrives.

Lastly, pray for churches across the nation that are also searching for a youth pastor. Many articles have been written over the past year signaling the decline of youth pastor candidates. This is not the trend we wish to see in 2026. In today’s landscape, students are battling many fronts that past generations simply weren’t exposed to. Therefore, we should pray that God would stir up a passion for students within future ministers’ hearts.

One of my favorite parables is found in Luke 18:1-8. In summary, Jesus teaches His people to persistently pray. Did you know that the Lord is pleased when we come consistently and persistently before His throne? He does not grow weary of our voice. He is not annoyed by our questions and petitions. And so, will you join our search team in persistent prayer in these matters?

-Pastor Andy
