## WELCOME

Dear **fellowship** family,

Welcome to **ENGAGE 2026!** This WEEK establishes the tone for our year together and sets the direction for where God is leading us. Our theme, **reaching further by growing deeper**, reminds us that lasting gospel impact always flows from hearts that are rooted deeply in Christ. As God grows us in prayer, obedience, and devotion, He expands our reach into **our communities and beyond**.

We are thankful for faithful partners who are carrying the gospel away from us and we desire to do our part near as well! This week gives us the opportunity to strengthen our mission through prayer, encouragement, and generous participation. As you engage with the messages, testimonies, and focused prayers, I invite you to ask: **Lord, how do You want me to be involved this year?** Whether going, giving, or interceding, each of us has a vital role to play.

Thank you for being a church that longs to grow deep in Christ and reach far with His gospel. **Let's seek Him first** as we trust Him to do great things in the year ahead.

With Great Expectations,

*Pastor Mike*

# NEXT STEPS 2026

## 2026 PRAYERS & GOALS

Our focus this year is to keep the **gospel at the center** of all we do as a church. 2025 was a year of expansion for the sake of the gospel. To continue to **Reach Further**, we need to strengthen our core by **Growing Deeper in Christ**, in our walk with Him, and in every area of ministry and leadership at **fellowship**. **Let's join in prayer this year for these worthy goals!**

1. **More people baptized than ever before** - Let's trust God for **100 people** to follow Jesus and make it known through baptism.
2. **More people taught to share their faith than ever before** - Let's trust God for **100 people** to attend **SEND50** trainings this year.
3. **More people to connect in LifeGroups and serve teams** - Let's trust God for **100 new people** to attend a LifeGroup or join a serve team this year.
4. **More leaders developed in our pipeline** - Pray for **20** new team leaders and **4** new coaches in 2026.
5. **More people joining in prayer** - Let's ask God to show us the **location for our next church replant** in our area.
6. **More people contributing to the mission** - God has been so gracious in funding our mission. Let's not take this for granted. **Pray for His supply.**

## JOE & BEKAH COTRONEO

Joe grew up just outside Orlando, Florida. At 16 years old, his life was transformed when he met Jesus. Soon after, he sensed a call to full-time ministry and enrolled at Trinity Baptist College in Jacksonville, FL, where he met his wife, Bekah. They married three years later.

After earning his degree, Joe served for 10 years in Columbus, Ohio, gaining experience as a Student Ministries, Collegiate, and Small Groups Pastor. In 2015, he and Bekah felt called to plant a church and that God was leading them to Indianapolis. By God's grace, they launched DOXA Bible Church in the fall of 2020 with a small group of believers.

Six years later, DOXA has launched two more gospel-centered churches in Indianapolis.

# HELP Ministries

Help Evangelize Lost People

Mission requires empowering national pastors, whose cultural access, resilience, and permanence make them essential partners for completing the Great Commission. Gospel advance depends on partnership—foreign missionaries working alongside national pastors. This is the core mission of HELP Ministries.

Mukumu Debbarma from Antioch Biblical Baptist Church, India, has currently planted seven churches. He is also the founder of Biblical Baptist Churches Ministries.

## Connect NYC KIDS

Jerra grew up here at **fellowship**. In February 2022, Ron and Susan Taylor were part of our Engage Conference. While Ron was explaining the need for laborers, Jerra felt God burdening her heart for NYC. That fall, she had the opportunity to go on a missions trip to New York City to serve with the Connect NYC team. It was during that trip that God confirmed in her heart the call to join the team and use her passion to help their vision of planting 5 churches in each of the 5 boroughs.

## Urban Church Planting

If God is calling you to plant a church in the Metro area of NYC, we would love to help. Our team is capable of supplying the resources and training you will need. Urban church planting in the United States is different than planting a church anywhere else, and you need the right training and people who will believe in you and push you to succeed.

## International Muslim Outreach

God loves the 1.8 billion Muslims of the world, and He is “not wishing that any should perish, but that all should reach repentance” (2 Peter 3:9b). Furthermore, He has commanded His people to “make disciples of all nations” (Matthew 28:19b) – meaning all ethnic groups, almost a quarter of which are majority Muslim. In the past, Muslims and Christians were isolated from each other by geography and politics. Now we are sharing the same citizenships, cultures, workplaces, schools, hospitals, & neighborhoods. God’s people have a strategic opportunity. IMO is equipping them worldwide to make “the best use of the time” by winning Muslims for Christ.

## OUR MISSION AND VISION

- Our mission is to equip the body of Christ to share the Gospel with Muslims confidently and humbly.
- We do that through our strategies of prayer, education, encouragement, and sustaining the organization for success.
- Our vision is that Muslims would be transformed through faith in Jesus Christ as Lord and Savior.
