

CHILD DEDICATIONS

Child dedication is an awesome way as a parent or guardian to make a statement to your family and your church that you want to commit to raising your family in the love and light of Jesus while the church is committed to supporting you and your family in that same goal as your number one cheerleader and supporter.

How Old Do My Kids Have To Be?

There is no age requirement for child dedications but is usually a great step for families with kids too young to make a decision on baptism but still want to take a step closer to Jesus.

How It Works:

On the day of you will come to the service you designated and we as a church will take a moment in service to have you on stage then explain what and why we are doing dedications and pray for you and your family as you church stretches out a hand in support as a symbol to say, "we are here for you". It is a great day to invite extended family and close friends to witness and be a part of your family's special day.
