LifeGroup Questions:

1. **It starts with being WITH Jesus.** We talked about how Jesus wants to do something *in us* before He does something *through us*. How would you describe your relationship with Jesus right now? How is that relationship impacting the way you love others?
2. **Be READY for opportunities.** God is often at work in the everyday moments of our lives. Can you share a time when you sensed God opening a door to encourage, serve, or share your faith with someone? How did you respond?
3. **Your mission field is the life you're already living.** Who has God placed in your everyday life that you might be overlooking? What keeps you from being more intentional with those people?
4. **Be INTERRUPTIBLE and OBEDIENT.** Sometimes God puts opportunities right in front of us, but we're too busy, distracted, or hesitant to respond. Which of those tends to be your biggest struggle, and what might need to change?
5. **One name. One identity. One Jesus. Everywhere you go.** We talked about how easy it is to live differently depending on who we're with. Where is it hardest for you to openly live as a follower of Jesus? What might God be calling you to do differently this week?
6. **Closing Prayer:** Have everyone share one person or opportunity where they want to be more intentional about living on mission this week. Pray for open doors, eyes to recognize them, and courage to respond.
