"I am..."

In the book of John, Jesus says seven different "I am" statements. These are the things that he describes himself as. Each week we will be diving into a different statement in order to know who Jesus is even better.

Prophecies Fulfilled

Jesus says all these things about who he is, but how can we trust that he is who he says he is? In this series we will be diving into the Old Testament and looking at the different prophecies that were said about Jesus and the evidence that he fulfilled them. He is who he says he is because what he says can be trusted!
