Who Am I? - This is a question we find ourselves asking frequently. Sometimes when thinking about the future, sometimes when thinking about the past. Regardless, it has been a question since the beginning of time, but who does God say I am?

Dear God... - Prayer is an essential part of having a walking, talking relationship with God, but how do we even go about talking to God? We will learn about talking to God, but also what it means to listen

Q & A - We all have a lot of questions, but sometimes we don't have the space to ask. This one-week series will allow students to ask questions that they may have and get them answered by their leaders.

Love/Sex/Dating- It is time! We do this series once a year and find it critical to talk about these topics with the lens God wants us to have and not culture.

Dear Wormwood- Temptation. What is it? Why? What do we do with it? We will take this two-week series to talk about temptation and different biblical stories tied to it.

Unexpected Heroes- God has a plan for all of us to be used by him. Sometimes, we don't always feel that. We will end the year with stories of heroes in the Bible that we don't always talk about.
