Update from our missionary Elizabeth Edwards, Wound Nurse, Zimbabwe, Africa. *We have been praying for a 15-year-old boy, Tafara, who sustained burns almost 2 years ago and still had many open painful wounds. Tafara had complicated surgery on August 25th at the Cure Hospital in Bulawayo, and he is doing well. He was taken back to the OR to regraft a few places which didn't take well, but he is in much less pain now that his wounds are covered! This was the last hope for this young boy, so please continue to pray that he would experience complete healing.*
