Update from Caribbean Christian Centre for the Deaf after Hurricane Melissa:
I am grateful to hear that our Kingston and Deaf village campuses have fared well. We have an initial report from Knockpatrick of roof damage and extensive flooding, but all -in-all the Lord has spared Knockpatrick campus. Unfortunately, I do not have good news from Montego Bay. We have extensive damage throughout the campus. Multiple large roofs are completely missing, and three-fourths of the perimeter wall is torn down. The needs will be great. The initial estimates for Montego Bay alone are in excess of \$200,000. Even though this is the case, our Montego Bay staff and students all appear to be safe and accounted for. Praise the Lord for that! Grateful for you!
Ben Beukema, President - CCCD US

Parkview Home—Food Support Request

Parkview residents (214 E. Central Ave., Zeeland) will not be receiving their monthly food benefits as of November 1st due to the government shutdown. Parkview is home to 12 developmentally disabled adults who depend on these benefits for every meal. They are in need of groceries at this time. They have several residents with food allergies and dietary restrictions, so they are hoping that we might be willing to send some grocery gift cards their way. They are not at all picky about the store and would gladly accept a gift card from any local grocer (Walmart, Meijer, Family Fare, Aldi, Gordon Food Service, Sam's Club, Costco, etc.). We'll be collecting gift cards in the church office and at the Welcome Center for a couple of weeks. *Thank you!*
