Know Me

"If I could speak all languages, if I had the gift of prophecy, if I gave everything, but had no love..." What does it mean to be known by God and to know God. This has to be the beginning of everything.

Testimonies

As a continuing series to "Know Me", we want to hear stories of God knowing our friends and being faithful in their lives.

Count My Blessings

What better way to celebrate Thanksgiving, than to practice the spiritual discipline of gratitude. I think we do this every once in a while, but not nearly enough. How can gratitude be a bigger part of our walk?
