APOLOGY ACCEPTED

The Bible instructs us to always be ready with an answer for the hope we have (1 Peter 3:15), in the Apologetics Series we will explore some challenging questions your student may face in their schools and social spaces.

Using the Bible and curriculum based on Dr. Douglas Groothuis's Christian Apologetics, we will equip your student with how to face these challenges head-on.

Join us for an evening of chill painting and happy little mistakes. Students will follow a Bob Ross video and leave with their own painting creation.

EGG-CELENT SERIES

Easter season is a joyful time to celebrate the resurrection, but we want to spend intentional time reading about the events leading up to this point. Focusing on three events from Scriptures, students will take time to read and reflect on the events that had significant impact on Jesus and His followers before the Passion and Resurrection. Students will be tasked with reading with their family and friends longer passages and reading rewards and an ultimate prize will be dispensed via Easter eggs throughout this series.

We are heading to Sky Zone, the local trampoline park, for an evening packed with open jump time, group games, and nonstop energy. After we wear ourselves out, we will hang out together and enjoy ice cream to cap off the night. SIGN UP ONLINE.

CHURCH ON FIRE

After Jesus left earth, the disciples were all alone, or were they? Through this series we will read through Acts and answer the who, what, when, where, why, and how of it all. Understanding the First Church better informs us in the modern-day what God expects of us as Foundry Church.

A high-energy youth game night in a dynamic facility packed with interactive technology. Team challenges, fast-paced games, and non-stop fun with friends! Must register online!
