

FIRST TIME GUEST GUIDE

FTG Guides are positioned just inside the entrance to assist guests, provide direction, and walk them where they need to go. These volunteers know the building, ministries, and service flow extremely well.

What You'll Do:

- Identify first-time guests and guide them personally
- Walk families to the Kids Wing, Way Track table, or other areas
- Stay knowledgeable about all ministries, locations, and start times
- Coordinate with other FTG Guides so at least one remains at the post

Ideal For:

People who love helping others, know the building layout, and enjoy giving personal guidance.
