

# FRONT DOOR GREETER

Front Door Greeters provide a warm greeting as guests approach the building. A greeter should notice guests before they reach the doors, opening the door and welcoming them with joy.

## What You'll Do:

- Stand beside (not in) the doorway with the door already open
- Offer a brief, friendly welcome as guests arrive
- Keep the entrance clear and moving
- Maintain awareness so no guest approaches an unopened door

## Things You Might Say:

- "Welcome to Way Church!"
- "We're so glad you're here!"
- "It's a beautiful day to worship the Lord!"

## Ideal For:

Warm, friendly volunteers who enjoy quick interactions.
