

# WAY CAFE

The Way Café provides refreshments and a warm place for guests to connect. Volunteers serve coffee, offer light conversation, and help create a relaxed Sunday environment.

## What You'll Do:

- Serve coffee and maintain the café area
- Allow guests to add cream, sugar, and other additions themselves
- Refill supplies and keep the area clean
- Engage in more conversational, less directional interactions

## Ideal For:

Friendly, conversational volunteers who love making people feel at home.
