

JULY MINISTRY PARTNER SPOTLIGHTS

Ryan & Rebecca Stowell
serve with CORD Ministries in Thailand. The Stowells minister at Seed of Hope, a Christian based dorm for children. Many Akha people live in poverty & have difficulty accessing education. These children are at higher risk of being sold into child labor, slavery, or prostitution. The goal of Seed of Hope is to lead students to a relationship with God through Jesus, to give them access to public & college education, & to develop sustainable practices through planting crops, raising animals, & creating business opportunities.

Ron & Kim Linegar
serve in southeast Asia. God has provided people who are seeking Biblical truth. The Linegars provide pastoral education, Bible studies, VBS, English classes, & outreach. They also train lay leaders, disciple nursing students, & raise teams to evangelize. Ron and Kim are working on transitioning to partial retirement and selling the farm and properties.

Caleb & Candice
(purposely omitting their last name)
In SE Asia many people are unreached and live in gospel poverty, but Caleb and Candice believe God is at work! They work with a local school, volunteer at English Clubs, and are building partnerships with local churches and ministries as they develop relationships in their community to further the gospel. Caleb and Candice are currently support raising and plan to return to the field the beginning of August.
