

COAST CITY CHURCH

KINGDOM BUILDERS

 2026 SUMMER PARTNER UPDATE

KINGDOM BUILDERS

VISION

Coast City Church is an audaciously generous church that looks beyond itself. Through Kingdom Builders, we give strategically and boldly to bring hope and help to people locally, globally, and into the future.

HOW KINGDOM BUILDERS WORKS

Kingdom Builders is the way we fund all outreach beyond the day-to-day ministry of our church. It brings every local, global, and future initiative under one clear vision and one giving fund. Instead of giving to individual projects, Kingdom Builders creates a simple, trusted way to give that fuels impact everywhere God is leading us.

This allows us to:

- Respond to needs quickly
- Give thoughtfully and strategically
- Support multiple initiatives without asking people to choose between causes
- Build long-term momentum for impact

We believe generosity is part of growing spiritually—and giving shouldn't feel complicated. Kingdom Builders keeps it simple, focused, and purposeful. One vision. One fund. Unlimited impact.

GIVING PRIORITY

We believe tithing comes first. The tithe supports the ongoing mission, ministries, staff, and operations of Coast City Church. Kingdom Builders is above and beyond the tithe. It's a next step for those who want to extend their generosity and make a broader impact outside the walls of the church.

PRAYER POINTS

- Pray for our missionaries in Japan, Eurasia, Bolivia, and Southeast Asia — for provision, endurance, and open doors with the people they serve.
- Pray for the vulnerable being reached through Project Rescue, Convoy of Hope, and the Tijuana build — for safety, healing, and lives transformed, not just needs met.
- Pray that the thousands of families receiving Christmas Hope groceries around the world would also receive the gospel message with open hearts.

Christmas Hope & Angel Tree bringing hope at Christmas time.

PRAYER POINTS

- Pray for families in our community currently walking through crisis, loss, or financial hardship — for provision, comfort, and dignity in receiving help.
- Pray for the volunteers and staff behind Crisis Care, and Christmas Hope & Angel Tree — for wisdom, compassion, and stamina.
- Pray for real, lasting connection to come out of outreach events like Celebrate Oceanside — that Oceanside would encounter hope, not just a one-time event.

FUTURE

*impact for generations
to come*

Kingdom Builders also prepares us for what's next. We don't just meet today's needs—we get ready for tomorrow's opportunities.

FULLY FUNDED

YOUTH SCHOLARSHIPS - \$12,728 of \$10,000

75 students will experience life changing Summer Youth Camp because of your generosity!

CURRENT CO. COFFEE SHOP - \$160,009 of \$150,000

Plans and permits are in progress as we continue working towards opening Current Co. Coffee which will serve as a hub of ministry on Sunday and throughout the week!

OPEN NEEDS

CHILDCARE - \$466 OF \$12,000

Free childcare on campus lets us fully activate our new Children's Center — removing the barrier so families with young children can plug into Sisterhood, City Groups, Growth Track, marriage ministry, and more. When parents are cared for, whole families grow together.

EXPANDED PARKING - \$48,000

Additional parking at The Hacienda lot has enabled our church to continue growing and reaching more people each Sunday. Thank you for your continued support as we make room for others to encounter Jesus.

ONLINE PRESENTATION & MEDIA POSITION - GOAL: \$40,000

To keep reaching people effectively, we are continually upgrading our video, audio, and production capabilities and adding a dedicated team member to lead that work. Every week, people encounter Coast City Church for the first time through a screen. This investment ensures that experience is excellent and Christ-centered, wherever someone meets us first.

NEW PROJECTS

COAST CITY LEADERSHIP COLLEGE - \$0 OF \$23,200 FUNDED

Development has begun for a leadership program that will serve as a pathway for those who feel called to ministry. Designed for students ready to take their next step in faith, this program will combine accredited college education with hands-on ministry experience — giving future leaders the chance to learn theology and practical skills side by side, under the mentorship of pastors and leaders already in the field. Our vision is to raise up men and women who are equipped not just academically, but spiritually and practically, to lead the church of tomorrow.

PRAYER POINTS

- Pray for the next generation — students at Summer Camp and in the new Leadership College — that they'd encounter God personally and grow as future leaders.
- Pray for growing families to fully plug into church life as childcare and parking make room for more people to belong.
- Pray for favor and timing on Current Co. Coffee and the media & online ministry — that both would become places of connection and reach.

THANK YOU

*when our hands stay busy,
our hearts stay soft*

A MESSAGE FROM DOUG

To our Kingdom Builders family,

Thank you for taking the time to see the full picture of what Kingdom Builders is accomplishing. We don't take for granted what has been accomplished through your generosity. Every gift, whatever the size, has come from a heart that believes in the vision God has put in our hearts. Thank you.

Because of you, families in crisis have found comfort and practical help. Missionaries in Japan, Eurasia, Bolivia, and Southeast Asia have been sustained in the field. Women and children have been rescued and are finding healing. Kids in North County have had a Christmas because someone believed they mattered. None of that happens without you saying yes to Kingdom Builders.

And as you've just read, we're not done. A leadership college to raise up the next generation of pastors and leaders. Expanded space for families to belong. A coffee shop built for connection. A media ministry that reaches people who may never walk through our doors. These aren't small dreams. They're going to take all of us — some through prayer, some through a gift that stretches you, and some through a gift that changes the trajectory of a project entirely.

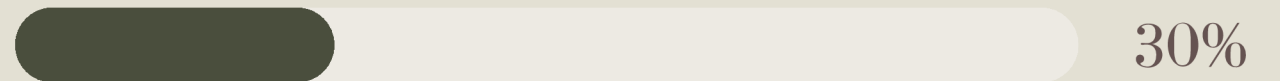

If one of these needs is stirring something in you — if you sense God is inviting you to play a bigger role in a specific project — I'd love to talk with you personally. Reach out to me or our team directly. Some of these initiatives are going to require a few key people to say an audacious yes.

Thank you for building this with us. It's an honor to lead alongside you.

Pastor Doug
