CITY GROUP DISCUSSION QUESTIONS

1. Stephen said these men always resisted the Holy Spirit — not because they had never heard God, but because they had stopped responding to Him. What is something God has already said to you that you have not done anything about yet?
2. Israel kept honoring the way God moved for their fathers while missing where He was leading them right then. Where might you be holding onto a version of your faith, or a routine, that God has already moved past?
3. Joseph and Moses were both rejected by the people closest to what God was doing. Has there been a time God used somebody you would not have picked, or led you a direction you would not have chosen?
4. These men received the Law, studied it, memorized it, taught it — and never obeyed it. What is a part of Scripture you know well, agree with completely, and have never actually done?
5. Moving with God is not about knowing where He has been, it is about responding to where He is leading. What is one specific thing you are going to do this week because of this message, and who in this group can check on you about it?
