

## February 2026 Prayer Calendar

### February 1<sup>st</sup>

Praise God for Pastor Erik Young and his wife Natasha, who serve at **Big Creek Community Church** in **Big Creek**. Pray for them as they minister in a beautiful, but challenging community. Fires and economics have affected their homes and families, and yet their heart's desire is to be faithful lights up on the mountain! Pray for them as they believe a new season is opening up for their church. Join them as they ask Jesus for fresh direction, vigor and renewed strength to move with Him as He opens opportunities and blesses them in this new season.

### February 8<sup>th</sup>

Praise God for Pastor Mike Baker and his wife Zoë, who minister at **Crosspoint Community Church** in **Santa Rosa**. Pray for wisdom in managing the growing Spanish Speaking Congregation as a part of their church and that they can work together, in unity, as one church in two languages at Crosspoint. Pray that they will all listen and respond when Jesus speaks.

### February 15<sup>th</sup>

Praise God for Pastor Jarrod McClintick and his wife Amy, who serve at **Rise Church** in **Visalia**. Pray for their church as they are getting ready to launch a second campus across town. The first Sunday will be March 15 heading toward Easter. They have a unique opportunity to have Gospel influence on both the north and south sides of their city. Praise God for a growing leadership team, new people coming to faith in Jesus and getting baptized. Please also pray for them as they develop deeper levels of discipleship across their church body.

### February 22<sup>nd</sup>

Praise God for Pastor Dustin Butler and his wife Daniella, who minister at **Windborn Church** in **Rio Vista**. Pray for their church as they continue to faithfully point people to Jesus. Pray for their Delta Club that meets on Wednesdays, that many young kids will be impacted by God's Word.

### March 1<sup>st</sup>

Pray for Pastor Chris Lovelace and his wife Denise, who serve at **Grace Church** in **Tracy**. Pray for their church as they continue to grow and for wisdom as to how to best accommodate their congregation and minister to their people. Pastor Chris has stepped down as our CPW Church Planting Director (and we miss and appreciate him!), so please pray for him as he devotes more time to his church and family.
