# Where the Mission Meets the Moment

At One Another Ministries, we believe that **healthy leaders build healthy ministries**. For over 25 years, we've walked alongside those who serve in some of the most demanding and spiritually significant roles around the world. Through pastoral care, leadership development, and counseling, we've helped thousands find **renewal, strength, and hope**.

**Now, we are stepping into a new season—one that requires vision, boldness, and faithful partnership.**

This campaign is more than a fundraising effort. It is an invitation to invest in the sustainability and expansion of a ministry that **directly impacts the health and longevity of global Gospel work**. From strengthening leadership and developing new resources, to growing our team and building up our U.K. base, every initiative is driven by a desire to serve more workers, more deeply, in more places than ever before.

As the needs of global Christian workers grow, so must our capacity to serve them.

Through your partnership, we can continue meeting leaders at their point of need and equipping them to thrive. **Your generosity lays the foundation for a lasting legacy**—one where every evangelical global worker and missionary has access to the support they need to remain faithful in their calling.

**The mission is clear. The need is urgent. The opportunity is now.**
